

4/4 48" Round Dining Table

Four pillars merge to create a beguiling combination of forms and a chunky, yet elegant clover-shaped pedestal. Top it off with a hefty slab of wood or honed Carrara marble followed by a five-course feast. Minimal and delightful, anyway you slice it. Also available in 60".

Product Details

- Available in honed Carrara marble or constructed solid-wood core with white oak, walnut, or black on ash veneered surface top
- Pedestal base with counterweight: Vertical rift sawn white oak, walnut or ash veneers
- Seats five comfortably with maximum seating for six
- Marble is a dynamic and natural material. This means that distinctive natural marks may occur in the top and will vary from table to table. This is part of its intrinsic beauty. We recommend that the honed marble top be sealed on occasion (every year or two) to avoid/delay any surface changes. An impregnating sealer easily available at most hardware stores is your best bet
