Clean + Modern

The thoroughly modern Leela™ collection makes any waiting place feel familiar, clean and comfortable. With crisp lines and sleek metal bases, Leela works well with other furnishings and architectural elements. Designed for viewing from all sides, Leela can be clustered to support conversation among patients and families.

The Leela family of seating includes one-, two- and three-seat options, a bariatric lounge and coordinating tables. The family's breadth and durability make it a beautiful solution for waiting areas across a healthcare facility or campus.

INSIGHT

Waiting places that feel clean and welcoming can help put patients and families at ease.

Easy Care

With solid surface or painted steel tops, Leela tables present a modern aesthetic with the cleanability important to healthcare waiting places. The open base common to all Leela tables and seating further facilitates cleaning.

Enduring Value

Leela seating is as tough as it is beautiful. Metal legs, webbed seat suspension and a structural steel frame add stability and strength. A hidden crumb sweep and optional arm caps extend useful life.
