Kimball has analyzed each model to most accurately reflect the COM/COL yardage requirements. The yardage requirement for each model is based on 54"W textile and cutting the textile up the roll.

For widths other than 54", increase the yardage requirement by the factors below:

<i>Textile width</i>	<i>Increase yardage</i>
50"-53"	15%
48"-49"	30%
45"-47"	45%

If repeat is larger than 18", contact Customer Service to confirm the correct amount of yardage required.

When ordering 10 or more chairs in the same COM, yardage requirements may be reduced.
