

Gathr

For the places we Gathr

In the ever-shifting landscape of modern work culture, we crafted Gathr in partnership with Webb Associates to reimagine spaces for collaboration. The natural curved shape encourages equality, while its intentional incorporation with other Soft Architecture products enables effective technology integration for meaningful connection—no matter the distance.

A Gathr for Obeya with Kaleid media unit

B Gathr island with planter cutout

Seat pad

Planter cutout

An adapting form that fits

Gathr's versatile, curved, two-tiered design easily adapts to different spaces, offering various layout options to support the human needs within.

- A** Gathr island with planter cutout
- B** Optional seat pad
- C** Optional planter cutout
- D** Gathr with Hydra
- E** Optional back panel

Gathr round

Gathr embodies the spirit of inclusivity, drawing inspiration from the hallowed traditions of King Arthur's Round Table, a symbol of unity where all voices are equal.

A Gathr with back panel and colonnades

Let's define space

Dynamic shapes like the serpentine form or added colonnade help dictate the flow of people throughout a space. By using details for space definition, we can amplify the look of a space while providing natural privacy and function.

B Contrasting end panel finish option

B

Reimagine the future of work

Gathr goes beyond reimagining our work; it represents the future of work, with its name, Gathr, serving as an homage to unity and purpose.

Webb Associates

In 1989, after decades working in furniture design, Roger Webb founded Webb Associates a design consultancy based in London. Today, Roger still leads the firm, but now is joined by fellow designers David Lancaster and Tony DaCosta. Webb Associates are known for their ergonomic

expertise and carefully tailored design solutions. Our partnership with Roger and his team has produced some of our favorite product lines, such as Kaleid, Fleet, Hydra, Ezel, Genus, Heya, LeanTo, Obeya, and Kasura by OFS and Hug by Carolina.
