Sprinkle Ceiling Large

Step into a world of refined elegance with the Sprinkle Ceiling/Wall Large light by Note Design Group for Zero Interior. This fixture commands attention with its circular silhouette, becoming a captivating focal point in any interior setting. Crafted with meticulous precision, the Sprinkle showcases light delicately layered between its characteristic round slats, creating a mesmerizing play of light and shadow. For ceiling applications, the center of the fixture features a microprism center, while the wall version is offered with a covered center plate to reduce the light intensity at eye level. Available in custom RAL colors upon request.
