

# QUILTON

PRODUCT FACT SHEET

## QILTON

DESIGN BY DOSHI LEVIEN, 2021

Described by the designers as a 'quilted landscape sofa system', Quilton serves as a central platform for living, working, socializing and relaxing. Offering a wide assortment of different modules, Doshi Levien's multi-functional sofa provides the flexibility of a modular system with generous dimensions and sculpted forms. It includes a finely-detailed quilted upholstery encapsulating the softness and volume of the foam and wadding seats and creating exceptional comfort. Quilton takes sofa design to a new level of versatility that makes it suitable for a wide range of domestic and public spaces.

### HIGHLIGHTS

- Quilton is a multi-functional sofa designed by Doshi Levien with the flexibility of a modular system.
- The quilted upholstery encapsulates the softness and volume of the foam and wadding seats, offering a high level of comfort.
- The modules can be customized into individual sofa combinations.
- Available in a wide variety of fabric and leather options with or without a contrast base.
- FSC™ certified.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

---

### MATERIALS

#### FRAME

FSC-certified wood construction with a spring system and non-woven fabric bottom.

#### FRONT, BACK & BASE

Full upholstered wadded PU foam with fabric or leather.

#### CONTRAST BASE

Upholstered with black Article 013-Flume from Maharam.

#### LEGS

Ø80 mm black stained solid beech incl. felt pads.

### CONSTRUCTION

Blindframe construction in FSC-certified plywood, chipboard and spruce wood with polyurethane foam and wadding. Incl. Nozag springs. Fully upholstered with Fibertex bottom. Legs turned in solid beech wood with felt pads. The modules are premounted with hooks and receivers in steel for connecting and black removable nylon handles for easier carriage.

### COUNTRY OF ORIGIN

Poland

### FABRIC & LEATHER UPHOLSTERY

Please see our Fabric Overview for approved standard fabrics.

The stitching details also continue down the back and the armrest of the leather variants.

## SUSTAINABILITY

HAY focuses on developing long-lasting products that minimize our environmental impact. We optimize the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.

## CERTIFICATES

FSC™ LABEL MIX

Made from FSC™-certified wood  
and other controlled materials.

## TESTS

EN 16139:2013

Furniture–Strength, durability and safety–Requirements  
for non-domestic seating.

L2 Extreme use–Loading according to Test severity L2.

ANSI/BIFMA X5.4-2020

American National Standard For Office

Furnishings – Public and Lounge Seating – Tests.

## WARRANTY

HAY provides a 5-year product warranty.

## CARE & MAINTENANCE

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your furniture.
