

**Knoll**

## **MR Table**

“Form is not the aim of our work,” wrote Ludwig Mies van der Rohe. “It is the result.” This philosophy, paired with his less-is-more approach to architecture, resulted in an iconic collection of steel furniture. One of those pieces is the MR Table designed in 1927. This pure and simple piece displays an awareness of proportion, craftsmanship, and materiality.

**Designer** Ludwig Mies van der Rohe

**Warranty** 5 Years
