Pixel Y-Leg Advanced Tables

Designed to create effective learning and training environments, the Pixel Collection fosters connections and creativity. The simple, architectural Y-Leg table is designed for collaborative meetings or personal desking.

- A** The optional markerboard laminate top and folding mechanism of Y-Fold tables offer ultimate reconfigurability—from a meeting table to a whiteboard
- B** Pixel storage nests easily into the clean lines of the Y Leg
- C** Simple flip mechanism enables tables to nest for easy storage
- D** Ganging brackets at all four corners enable seamless electrical wiring and create a continuous level surface when tables are connected

Warranty 10 Years
