Desk and Desk Shells

Tip: The actual thickness between Low-Pressure Laminate (LPL) and High-Pressure Laminate (HPL) worksurfaces is slightly different. It is recommended that only worksurfaces of the same type are specified in a given application. In addition, there may be sheen or texture differences when using LPL and HPL in adjacent applications.

Tip: Desk shells wider than 72"W not available 18⁷/₈"D–23¹⁵/₁₆"D.

Tip: Lock for the box/box/file configuration does not lock the top box drawer.

Tip: Full depth end panels are required for any stand alone desk shell. When one or more clear-access end panels are used, the desk shell must be attached to an adjoining worksurface(s).

Desk and Desk Shells with Overhang

Tip: The actual thickness between Low-Pressure Laminate (LPL) and High-Pressure Laminate (HPL) worksurfaces is slightly different. It is recommended that only worksurfaces of the same type are specified in a given application. In addition, there may be sheen or texture differences when using LPL and HPL in adjacent applications.

Tip: 36"D desks have a 6" overhang on the visitor side. Pedestals and end panels are 30"D.

Tip: Lock for the box/box/file configuration does not lock the top box drawer.

Tip: Full depth end panels are required for any stand alone desk shell. When one or more clear-access end panels are used, the desk shell must be attached to an adjoining worksurface(s).

► Need help?
See *Currency Specification Guide* for product details.

Standard Includes

- Desk and desk shells with pedestal, if specified:
 - Low-Pressure Laminate case with matching or contrasting Low-Pressure Laminate headset
 - Low-Pressure Laminate case with High-Pressure Laminate headset, if selected
 - High-Pressure Laminate case with matching or contrasting High-Pressure Laminate headset, if selected
- 1 1/8" thick top:
 - Low-Pressure Laminate price group 1
 - High-Pressure Laminate price group 1, if selected
- 3 mm edgeband on user's side: plastic price group 1
- 1 mm edgeband on sides and back: plastic price group 1
- Finished back
- Modesty panel, full height
- Bore and dowel drawer construction: black
- One fastened plastic filing system per file drawer: black only
- Full extension, heavy-duty ball bearing drawer suspensions
- Lock plug
- Two counterweights on desks
- 1 1/4" adjustable leveling glides
- Desk shells shipped ready to assemble
- Desk with pedestal(s) shipped fully assembled
- One pencil tray is included in units with a box drawer

Parametric Common Tops/Worksurfaces

Tip: When specifying a Currency parametric common top over a run of storage, use SmartTools to determine the correct dimension to be specified.

For laminate price group 2 and higher pricing, please refer to the electronic catalog or SmartTools.

Tip: Worksurfaces being used as a table, up to 84"W, require four legs and appropriate reinforcing channels. Worksurfaces 84 1/16"W–120"W require six legs and appropriate reinforcing channels.

Tip: Reinforcing channels are ordered separately and must be used with tops larger than 54"W for 54"W or more of unsupported kneespace.

Tip: Any top used as a table with legs, equal to or larger than 30"Dx72"W requires two reinforcing channels.

Tip: The actual thickness between Low-Pressure Laminate (LPL) and High-Pressure Laminate (HPL) worksurfaces is slightly different. It is recommended that only worksurfaces of the same type are specified in a given application. In addition, there may be sheen or texture differences when using LPL and HPL in adjacent applications.

Tip: Width is specifiable in 1/16" increments.

Standard Includes		Required to Specify	
► Need help? See Currency Specification Guide for product details.	• 1/8" thick common top:	Style number	
	– Low-Pressure Laminate price group 1 – High-Pressure Laminate price group 1, if selected		
	• 3 mm edgeband on user's side: plastic price group 1		
	• 1 mm edgeband on sides and back: plastic price group 1		
	• Depth: 12"D–36"D		
	• Width: 15"W–96"W (LPL), 15"W–120"W (HPL)		

	Options	Price	Required to Specify
Top Surface	• Low-Pressure Laminate (LPL) price group 1	No cost	Specify laminate color number.
	• High-Pressure Laminate (HPL) price group 1	Prices at right	Specify laminate color number.
	• High-Pressure Laminate (HPL) price group 2	See information at left	Specify laminate color number.
	• High-Pressure Laminate (HPL) price group 3	See information at left	Specify laminate color number.
	• Open Line laminate	+\$ 94 plus cost of laminate	► See Surface Materials Reference Manual.
Worksurface Thickness	• 1 1/8"	No cost	Specify with 1 1/8" thickness.
	• 1 3/8"	+\$147	Specify with 1 3/8" thickness.
Grommet Location	• No grommet	No cost	Specify with no grommet.
	• Left	+\$ 40	Specify with left grommet.
	• Right	+\$ 40	Specify with right grommet.
	• Center	+\$ 40	Specify with center grommet.
	• Right and center	+\$ 80	Specify with right and center grommet.
	• Left and center	+\$ 80	Specify with left and center grommet.
	• Right, left, and center	+\$120	Specify with right, left, and center grommet.

Rectangle Tables

Tip: Shown with optional base.

Tip: 36"W–59¹⁵/₁₆"W rectangular shaped tops are also available. For the complete parametric size offering and pricing, please refer to SmartTools.

For laminate price group 2 and higher pricing, please refer to the electronic catalog or SmartTools.

Tip: Two-piece tops will occur when the top is in Low-Pressure Laminate and larger than 95³/₄"W, and in High-Pressure Laminate and larger than 119¹⁵/₁₆"W. Tops will be split into two equal sections and ship with connecting hardware. Low-Pressure Laminate two-piece tops will not have matching grain patterns. All High-Pressure Laminate two-piece tops above 144"W will not have matching grain patterns. Woodgrain High-Pressure Laminate two-piece tops 120"W–144"W will have matching grain patterns.

Tip: Grommet options allow for either no grommet or hinged power door unit(s). Grommets are available for order as a separate style number, and are field installed.

Tip: Grommet option available on tops with 36"D–48"D and 60"W–168"W.

Tip: Selecting hinged door grommet option results in cut out in table top. Power unit ships separately and is field installed.

Racetrack Tables

Tip: Shown with optional base.

For laminate price group 2 and higher pricing, please refer to the electronic catalog or SmartTools.

Tip: Two-piece tops will occur when the top is in Low-Pressure Laminate and larger than 95¾"W, and in High-Pressure Laminate and larger than 119½"W. Tops will be split into two equal sections and ship with connecting hardware. Low-Pressure Laminate two-piece tops will not have matching grain patterns. All High-Pressure Laminate two-piece tops above 144"W will not have matching grain patterns. Woodgrain High-Pressure Laminate two-piece tops 120"W–144"W will have matching grain patterns.

Tip: Grommet options allow for either no grommet or hinged power door unit(s). Grommets are available for order as a separate style number, and are field installed.

Tip: Grommet option available on tops with 36"D–48"D and 60"W–168"W.

Tip: Selecting hinged door grommet option results in cut out in table top. Power unit ships separately and is field installed.

Mobile Pedestals

► Need help?
See *Currency Specification Guide* for product details.

Standard Includes

- Fixed pedestal, 1.5-High:
 - Low-Pressure Laminate case with matching or contrasting Low-Pressure Laminate headset
 - Low-Pressure Laminate case with High-Pressure Laminate headset, if selected
 - High-Pressure Laminate case with matching or contrasting High-Pressure Laminate headset, if selected
- Finished back
- Bore and dowel drawer construction: black
- One fastened plastic filing system per file drawer: black only
- Full extension, heavy-duty ball bearing drawer suspensions
- Two counterweights
- Lock plug
- Ships partially assembled, casters to be added in the field
- One pencil tray is included in units with a box drawer

One-High and 1.5-High
Open Storage

Tip: The actual thickness between Low-Pressure Laminate (LPL) and High-Pressure Laminate (HPL) worksurfaces is slightly different. It is recommended that only worksurfaces of the same type are specified in a given application. In addition, there may be sheen or texture differences when using LPL and HPL in adjacent applications.

For laminate price group 2 and higher pricing, please refer to the electronic catalog or SmartTools.

Currency Two-High Credenza Storage with Kneespace

► Need help?
See *Currency Specification Guide* for product details.

Standard Includes

- Two-High credenza with kneespace:
 - Low-Pressure Laminate case with matching or contrasting Low-Pressure Laminate headset
 - Low-Pressure Laminate case with High-Pressure Laminate headset, if selected
 - High-Pressure Laminate case with matching or contrasting High-Pressure Laminate headset, if selected
- 1 1/8" thick top:
 - Low-Pressure Laminate price group 1
 - High-Pressure Laminate price group 1, if selected
- Finished back
- Modesty panel, full or quarter height
- Bore and dowel drawer construction: black
- One fastened metal filing system per file drawer: black only
- Full extension, heavy-duty ball bearing drawer suspensions
- One pencil tray is included in units with a box drawer
- Lock plug
- Counterweight
- 1 1/4" leveling glides
- Shipped fully assembled

Required to Specify

Style number

Tip: Reinforcing channels are ordered separately and must be used on credenzas that have 54"W or more of unsupported kneespace (70"W single pedestal units).

Tip: Grain direction of modesty panel runs horizontally. Grain direction of pedestals runs vertically.

Tip: Quarter height modesty panel available on 24"D units only.

For laminate price group 2 and higher pricing, please refer to the electronic catalog or SmartTools.

Stacking Bookcases

Tip: Stacking bookcases go on top of One-High, 1.5-High, and Two-High Currency low storage. Please specify the application height of the overall height desired with low storage and stacking bookcase combined.

Tip: Selecting the correct worksurface thickness and top surface materiality type (LPL or HPL) ensures that the stacking bookcase aligns with neighboring tall storage.

Tip: Top surface type refers to the materiality of the storage attaching to the stacking bookcase.

For laminate price group 2 and higher pricing, please refer to the electronic catalog or SmartTools.

Standard Includes			Required to Specify
► Need help? See <i>Currency Specification Guide</i> for product details.	Stacking bookcase:		Style number
	- Low-Pressure Laminate price group 1 - High-Pressure Laminate price group 1, if selected 1" thick top: laminate to match case - Adjustable shelf: laminate to match case - Attachment hardware - Shipped fully assembled		
Size Option	Options	Price	Required to Specify
Depth	Modular	No cost	Specify with modular.
	Parametric	No cost	Specify with parametric.
Width	15"D	Prices at right	Specify 15" depth.
	24"D	Prices at right	Specify 24" depth.
Application Height	24"W	Prices at right	Specify 24" width.
	30"W	Prices at right	Specify 30" width.
Worksurface Thickness	36"W	Prices at right	Specify 36" width.
	41 3/4"H	Prices at right	Specify 41 3/4" height.
Top Surface Type	47 15/16"H	Prices at right	Specify 47 15/16" height.
	54 1/8"H	Prices at right	Specify 54 1/8" height.
Case	66 1/2"H	Prices at right	Specify 66 1/2" height.
	72"H	Prices at right	Specify 72" height.
	78"H	Prices at right	Specify 78" height.
	84"H	Prices at right	Specify 84" height.
	1 1/8"	No cost	Specify with 1 1/8" thickness.
	1 3/8"	No cost	Specify with 1 3/8" thickness.
	Low-Pressure Laminate (LPL)	No cost	Specify with Low-Pressure Laminate.
	High-Pressure Laminate (HPL)	No cost	Specify with High-Pressure Laminate.
	Low-Pressure Laminate (LPL) price group 1	No cost	Specify laminate color number.
	High-Pressure Laminate (HPL) price group 1	Prices at right	Specify laminate color number.
	High-Pressure Laminate (HPL) price group 2	See information at left	Specify laminate color number.
	High-Pressure Laminate (HPL) price group 3	See information at left	Specify laminate color number.
	Open Line laminate	+\$94 plus cost of laminate	► See <i>Surface Material Reference Manual</i> .

Overheads

Tip: Overheads with sliding doors do not lock.

Tip: Overheads with three doors will have two doors hinged right. Overheads with four doors will have two doors hinged left, and two hinged right. Doors will always open from the center out.

Tip: White markerboard (2977) headset finish available with sliding doors only.

Tip: Answer beam bracket option includes no brackets. Brackets are specified separately based on specific application.

Tip: Not all attachment brackets are included within the style number.

Tip: If selecting Answer Beam, Answer panel, or top cap mount on Answer attachment brackets, overhead must be modular.

For laminate price group 2 and higher pricing, please refer to the electronic catalog or SmartTools.

Standard Includes

- Overhead:
 - Low-Pressure Laminate case with matching or contrasting Low-Pressure Laminate headset
 - Low-Pressure Laminate case with High-Pressure Laminate headset, if selected
 - High-Pressure Laminate case with matching or contrasting High-Pressure Laminate headset, if selected
- Lock plug on overheads with hinged doors only
- Shipped fully assembled

Stacking Overheads

Tip: Stacking overheads with sliding doors do not lock.

Tip: Stacking overheads with three doors will have two doors hinged right. Overheads with four doors will have two doors hinged left, and two hinged right. Doors will always open from the center out.

Tip: Stacking overheads go on top of Two-High Currency storage or desks. Please specify the application height of the overall height desired with storage and stacking overhead combined.

For laminate price group 2 and higher pricing, please refer to the electronic catalog or SmartTools.

Tip: Selecting the correct worksurface thickness and top surface materiality type (Low-Pressure Laminate or High-Pressure Laminate) of storage underneath ensures that the stacking overhead aligns with neighboring tall storage.

Tip: White markerboard (2977) headset finish available with sliding doors only.

Tip: 15"H refers to the height of the storage case.

Tip: Stacking overheads must be specified parametrically if going above a lateral file/lateral credenza.

Standard Includes		Required to Specify	
- Stacking overhead: - Low-Pressure Laminate case with matching or contrasting Low-Pressure Laminate headset - Low-Pressure Laminate case with High-Pressure Laminate headset, if selected - High-Pressure Laminate case with matching or contrasting High-Pressure Laminate headset, if selected - Lock plug on overheads with hinged doors only - Attachment hardware		Style number

Right-hand unit

Cabinets

Tip: Cabinets must be attached to adjacent storage, a wall, or in a run of multiple cabinets, to ensure stability and prevent tipping. See Currency Specification Guide, for details of how many cabinets are required in the run based on cabinet size.

Tip: Coat rods available on 24"D units.

Tip: Cabinets 66 1/2"H and taller receive a fixed top shelf.

For laminate price group 2 and 3 pricing, please refer to the electronic catalog or SmartTools.

Standard Includes		Required to Specify	
► Need help? See <i>Currency Specification Guide</i> for product details. - Cabinets: - Low-Pressure Laminate case with matching or contrasting Low-Pressure Laminate headset - Low-Pressure Laminate case with High-Pressure Laminate headset, if selected - High-Pressure Laminate case with matching or contrasting High-Pressure Laminate headset, if selected 1" thick top: laminate to match case - Coat hook: brushed nickel only - Lock plug 1 1/4" leveling glides - Shipped fully assembled - Fixed top shelf on cabinets 66 1/2"H and taller		Style number

Solid Laminate

- 24H1 Satin White
- 24H2 Satin Black
- 24H3 Satin Stone
- 24H4 Satin Mocha

Custom Surfaces

Open Line Laminate (OLL)

This service allows you to order non-standard laminate at an additional processing fee of \$94 per unit, plus the cost of the laminate.

High-Pressure Laminate pricing does not include premium or digitally printed patterns from any suppliers. Laminate cost may also vary for basic or standard laminates from other suppliers. Please contact the OLL consultant at 616.475.2426 for pricing. The cost of the laminate will be added to your invoice as a separate line on the acknowledgement.

When processing orders for Open Line laminate on Universal worksurfaces and Universal Storage tops, specify 2900 in the laminate finish field and enter the OLL manufacturer information. Enter the required edge finish as you would a standard laminate.

Edge color for the Open Line laminate on worksurfaces must be determined by the dealer and customer before orders can be entered. Specify appropriate 2K finish number.

Laminate Approval and Material Requirements

To confirm whether a particular laminate has already been tested for use on a specific Steelcase product or to determine material square foot requirements:

- Visit www.steelcase.com

For additional information, refer to the *Steelcase Surface Materials Reference Manual*.

① = Number of legs for table

* = Tie plates to be used when ganging tables with levelers to keep table together.

** = In-line support plates to be used on 24"D and 30"D corner bridge tops connecting to other tables with levelers.

*** = To ensure proper stability, post legs and standing-height adjustable post legs with caster option only cannot be used on these top sizes.

***** = To ensure proper stability, standing-height adjustable post legs with caster option only cannot be used on these top sizes.

***** = For heavy use applications, it is recommended to use the 28" diameter base with 5" column for added rigidity.

Groupwork Rectangle Flip-Top Training Tables

Standard Includes	Required to Specify
► Need help? See <i>Conference and Collaborative Tables Specification Guide</i> for product details. - Table: 1"- thick top, Low-Pressure or High-Pressure Laminate price group 1 or wood group 1 veneer 3 mm radius profile edge: plastic - Cast legs with standard casters: paint group 1 - Reinforcing channel(s) on 66"-84"W tables - Underside color scheme: light or dark	- Style number - Size option (see below under Required Selections) - Table size (see below under Required Selections) - Low-Pressure or High-Pressure Laminate or Veneer color number for table - Plastic edge band color number for table, if selected - Paint color number for legs - Underside color scheme - Options, if selected (see below) ► See <i>Surface Materials</i>, page 226.

Required Selections	Price	Required to Specify

Groupwork Team Non-Flip Training Tables

Standard Includes	Required to Specify
► Need help? See <i>Conference and Collaborative Tables Specification Guide</i> for product details. - Table: 1"- thick top, Low-Pressure or High-Pressure Laminate price group 1 or wood group 1 veneer 3 mm radius profile edge: plastic - Cast legs with 4 standard casters: paint group 1 - Reinforcing channel - Underside color scheme: light or dark	- Style number - Size option (see below under Required Selections) - Table size (see below under Required Selections) - Low-Pressure or High-Pressure Laminate or Veneer color number for table - Plastic edge band color number for table, if selected - Paint color number for legs - Underside color scheme - Options, if selected (see below) ► See <i>Surface Materials</i>, page 226.

Required Selections	Price	Required to Specify
Size Option		
• Modular	No cost	Specify <i>with modular</i> .
• Parametric	No cost	Specify <i>with parametric</i> .

Table Size	• Width	Prices at right	Specify width.
-------------------	---------	-----------------	----------------

Options	Price	Required to Specify
Surface Materials		
• High-Pressure Laminate price group 2		
– 60"W	+\$ 30	Specify laminate color number.
– 66"W	+\$ 30	Specify laminate color number.
– 72"W	+\$ 30	Specify laminate color number.
– 84"W	+\$ 38	Specify laminate color number.
• High-Pressure Laminate price group 3		
– 60"W	+\$ 58	Specify laminate color number.
– 66"W	+\$ 58	Specify laminate color number.
– 72"W	+\$ 58	Specify laminate color number.
– 84"W	+\$ 75	Specify laminate color number.
• Open Line laminate	+\$ 94 plus cost of laminate	► See <i>Surface Materials Reference Manual</i> .
Composite Veneer		
• Composite veneer group 1	Prices at right	Specify composite veneer color number.
• Composite veneer group 2	+\$ 94	Specify composite veneer color number.
Wood Veneer		
• Wood group 2	+\$ 94	Specify wood color number.
• Wood group 3	+\$328	Specify wood color number.
• Customiz stain	No cost	Specify <i>with customiz stain</i> .
• Full-fill finish on wood group 1	+\$ 94	► See <i>Surface Materials Reference Manual</i> .
Legs		
• Paint price group 1	No cost	Specify paint color number.
• Paint price group 2	+\$ 58	Specify paint color number.
• Paint price group 3	+\$ 95	Specify paint color number.
Underside Color Scheme		
• Light	No cost	Specify <i>with light</i> .
• Dark	No cost	Specify <i>with dark</i> .
Pop-Up Power		
• Paint price group 1	No cost	Specify paint color number.
• Paint price group 2	+\$ 58	Specify paint color number.
Soft Caster Finish		
• Light	No cost	Specify <i>with light soft caster finish</i> .
• Dark	No cost	Specify <i>with dark soft caster finish</i> .

► Options, continued on next page

Tip: Veneer worksurfaces do not have a colored laminate underside. The underside color must still be specified for the support brackets and reinforcing channels.

► Options, continued from previous page

	Options	Price	Required to Specify
Grain Direction	• No grain direction	No cost	Specify with no grain direction.
	• Long grain direction	No cost	Specify with long grain direction.
Mobility	• Mobile – 4 standard casters	No cost	Specify with 4 standard casters and select caster type.
	• Mobile – 4 soft casters	+\$128	Specify with 4 soft casters and select caster type and soft caster finish.
	• Static – 4 glides	+\$128	Specify with static 4 glides and select glides.
Caster Type	• Two locking casters and two non-locking casters	No cost	Specify with two locking casters and two non-locking casters.
	• Four locking casters	No cost	Specify with four locking casters.
Cable Manager	• No cable manager	No cost	Specify with no cable manager.
	• Vertical cable manager	+\$ 97	Specify with vertical cable manager.
	• Horizontal cable manager	+\$353	Specify with horizontal cable manager.
	• Vertical and horizontal cable managers	+\$384	Specify with vertical and horizontal cable manager.
Power Access	• No power access	No cost	Specify with no power access.
	• Flush power	+\$359	Specify with flush power and select color number.
	• Pop-up power	+\$378	Specify with pop-up power and select color number.
	• Grommet	+\$ 97	Specify with grommet only.
Power Position	• Center	No cost	Specify with center position.
	• Left and right	No cost	Specify with left and right power position.
Power Configuration	For Flush Power		
	• Two power, one data	No cost	Specify with two power, one data.
	• Three power	+\$ 5	Specify with three power.
	• Two power, one USB-A	+\$173	Specify with two power, one USB-A.
	• One power, one USB-C 100W	+\$327	Specify with one power, one USB-C 100W.
	For Pop-Up Power		
	• Two power, one data	No cost	Specify with two power, one data.
	• Three power	+\$ 5	Specify with three power.
	• Two power, one USB-A	+\$173	Specify with two power, one USB-A.
	• One power, one USB-C 100W	+\$327	Specify with one power, one USB-C 100W.
Power Type	• No modular power	No cost	Specify with no modular power.
	For 60"W to 84"W Tables		
	• Center modular power (60"W)	+\$ 90	Specify with center modular power.
	• Center modular power (60 $\frac{1}{16}$ "W–84"W)	+\$206	Specify with center modular power.
	For 72"W to 84"W Tables Only		
	• Left and right modular power	+\$180	Specify with left and right modular power.
Power Plug Type	• Standard NEMA 3-prong	No cost	Specify with standard NEMA 3-prong.
	• Low Profile plug	+\$ 37	Specify with thread low profile plug.
Ganging	• No ganging	No cost	Specify with no ganging.
	• Ganging	+\$ 97	Specify with ganging.

► Specification Information, on next page

Tip: Grain direction is only available when veneer is specified.

Tip: Soft casters are recommended for use on hard floors.

Tip: Left and right available on tables 72"W and greater.

Tip: When left and right is specified, cost of power configuration will double.

Tip: An infeed is required when modular power is selected and is ordered separately.

Tip: When modular power is selected, a flush or pop-up power unit is required.

Tip: Ganging is required when modular power is selected.

Groupwork Table Tops

Rectangular, Half-Round, Trapezoid, 90° Corner Bridges

Tip: Standard worksurfaces are 1 1/8" thick. However, the actual thickness between Low-Pressure Laminate (LPL) and High-Pressure Laminate (HPL) worksurfaces is slightly different. It is recommended that only worksurfaces of the same type are specified in a given application. In addition, there may be sheen or texture differences when using LPL and HPL in adjacent applications. Please use caution when mixing and matching different worksurface types.

For laminate group 2 and 3 pricing, please refer to the electronic catalog or SmartTools.

Tip: Reinforcing channel (TSATRC39, TSATRC48, TSATRC57, or TSATRC72), ordered separately, must be used with tops and larger.
► See page 217.

Tip: To ensure proper leg usage, consult the groupwork table top, leg, and base combination section of the specification guide.
► See page 186.

Custom Surfaces**Open Line Laminate (OLL)**

This service allows you to order non-standard laminate at an additional processing fee of \$94 per unit, plus the cost of the laminate.

High-Pressure Laminate pricing does not include premium or digitally printed patterns from any suppliers. Laminate cost may also vary for basic or standard laminates from other suppliers. Please contact the OLL consultant at 616.475.2426 for pricing. The cost of the laminate will be added to your invoice as a separate line on the acknowledgement.

When processing orders for Open Line laminate on Universal worksurfaces and Universal Storage tops, specify 2900 in the laminate finish field and enter the OLL manufacturer information. enter the required edge finish as you would a standard laminate.

Edge color for the Open Line laminate on worksurfaces must be determined by the dealer and customer before orders can be entered. Specify appropriate 2K finish number.

Laminate Approval and Material Requirements

To confirm whether a particular laminate has already been tested for use on a specific Steelcase product or to determine material square foot requirements:

- Visit www.steelcase.com

For additional information, refer to the *Steelcase Surface Materials Reference Manual*.

Wood

Applies to:

- Groupwork flip-top and non-flip training tables

Steelcase carefully selects veneer and solid wood for consistent color and grain structure. Wood is a natural material and variations will occur in color, grain and texture. These variations are part of the inherent natural beauty of wood and are not considered defects.

All wood products will darken with age and exposure to ultraviolet light. This is specially apparent with cherry and maple veneer. We recommend that desk accessories be rearranged periodically to ensure even aging of wood surfaces.

When storing your wood furniture, please follow the following guidelines:

- Do not store products in trailers
- Store products in areas that simulate office temperatures (60°F to 90°F)
- Store products in areas that maintain constant, office-like humidity levels
- Keep product away from light. Cover products to make sure they are not exposed to light.

Steelcase Surfaces

Veneers are matched for proper balance and consistency. Veneers are available flat cut or quarter cut, except for Oak, which is rift cut. Refer to the *Surface Materials Reference Manual* for descriptions of each cut.

Open-pore finish is a medium gloss finish that leaves the wood grain texture visible to the eye and distinguishable to the touch.

Wood Group 1**Open-Pore Planked Veneer**

- 3P41 OP Planked Cherry
- 3P51 OP Planked Maple
- 3P61 OP Planked Oak
- 3P71 OP Planked Walnut

Tip: Known for its uniqueness, planked veneer has intentional and natural variations that include, but are not limited to: character marks, grain pattern, color, and natural color aging.

Full-Fill

Full-fill finish is a medium-gloss finish that completely fills the grain texture, yet allows the grain pattern to be seen. The wood has a lustrous, satiny look, and it is smooth to the touch. This finish is available on the wood worksurface or field-installed top only.

Premium Veneers

A selection of Premium veneers in this collection are available on most Steelcase brand products. The collection will be available as close to standard leadtimes as possible. However, because adequate supplies of veneer and solids must be secured, all orders will be scheduled individually. Leadtimes will vary based on Premium veneer and Premium solids availability at the time the order is placed. The collection is Graded-In Wood Group 3, and supported like standard veneers to make ordering easy. Please see the Steelcase surface materials section on village.steelcase.com for sample information and product line availability. All premium veneers are in clear-coat.

Wood Group 3**Quarter-Cut Open-Pore**

- 3832 QC/OP Figured Anegre

Select Surfaces**Composite Veneer**

Composite veneers are an engineered wood intended to create specific grain patterns and characteristics. They are pre-stained and finished with Steelcase's Clarity water-borne UV topcoat, which protects the environment while providing durability and clarity. Only open-pore finishes are available on composite wood. Composite veneer and matching edge bands are available on most Steelcase brand products. Composites, for use as a solid nosing substitute, are not available. Steelcase does not recommend mixing composite veneers with natural solid nosings because composite and natural wood grain and color matching are rarely compatible. Composite veneers are Graded-In as Wood Group 1 pricing.

Composite Quarter-Cut Open-Pore

- 3LEX QC/OP Desert Oak on Oak Composite
- 3LGX QC/OP Chai on Walnut Composite
- 3LJX QC/OP Ebony on Walnut Composite

Custom Surfaces

Customiz stain is a service that allows you to create your own stain colors and finishes on standard veneer. Customiz stain color is available on all product lines that offer wood veneer.

A \$500 stain-matching fee applies on CUSTOMIZ requests (Exception: The \$500 fee does not apply on matches to Coalesse standard finishes or for a low-gloss finish request on a standard color). The \$500 fee covers the cost of formulating the Customiz color finish and applies regardless of whether or not an order for product is placed.

In addition, an approval form must be signed to indicate customer acceptance of Customiz match. A \$1,500 initiation fee will be charged prior to first order entry. This initiation fee activates the finish for unlimited use on any Steelcase product for an 18 month time period. After the 18 month time period has lapsed, the Customiz finish may be reactivated for another 18 months for a \$1,000 fee at any point within five years after the \$1,500 initiation fee was paid. If the finish is not reactivated within five years after the \$1,500 initiation fee was paid, the finish will be culled and the customer will need to pay the \$1,500 initiation fee again. All style number related Customiz charges products are no cost as of April 2014. The matching and initiation fees are not discountable.

Customiz stain takes 10 days to formulate. Consult the *Surface Materials Reference Manual* for more information. Custom veneers are also available and must be quoted by Steelcase specials group. Customiz stain on custom veneers takes 2 to 4 weeks to formulate.

Requirements and information on ordering a Customiz stain color are found in the *Surface Materials Reference Manual*.

Understanding Low-Pressure and High-Pressure Laminates

Low-Pressure Laminates, or LPLs, are created by dipping decorative crafted paper in melamine resin. The melamine dipped paper is then bonded to a wood core under heat and high-pressure. LPLs are generally suitable for use in lower impact areas. LPLs are generally used in vertical applications as well as tops for workstations and private offices. Generally, it is more cost effective to use LPLs when the performance of HPLs are not required.

High-Pressure Laminates, or HPLs, are composed of multiple layers of crafted paper individually soaked in resin. There are 7-15 layers of paper combined to make the final sheet. The top layers are translucent melamine sheet and a decorative layer. The sheets are combined under heat and high pressure to form a single laminate sheet. The resulting sheet is then bonded under heat and high pressure to a wood core. HPLs are generally considered more durable than LPLs due to the extra layers of craft paper (backer) used in their creation. While they cost more, they are more durable. HPLs are generally used in higher traffic areas such as cafeterias and conference rooms. Generally, it is more cost effective to restrict their use to areas needing the added durability HPLs provide.

Resources

Lock and Keying Options	236
Style Number Index	238

Lock and Keying Options

Front-removable lock cylinders can be installed or removed in the field with a special tool. This feature allows you to field install lock cylinders after the furniture is installed.

All locks are designated with key numbers. You can specify a key number; however, if you don't specify a key number, the locks in your order will be keyed random.

Two types of locks are available — the standard keying system (FR series) and the master keying system (XF series). All the locks in the XF series can be opened with a single master key.

Standard Keying

All products are standard keyed random.

Step 1

Furniture will be shipped with a plastic shipping plug. Specify lock cylinder and keying options separately. Only products with factory-installed lock mechanisms can accept lock cylinders in the field.

Tip: Be sure to specify a lock color number (9201 Polished Chrome or 9250 Ember Chrome) for the lock face ring.

Step 2

Order enough lock cylinders to fill each lock location. You must also order a lock tool.

Tip: Lock tools are reusable. You don't need to order additional lock tools with every furniture order. Lock cylinders and the installation tool will be shipped separately so that you can install the locks when you are ready.

To specify lock cylinders, list the total number of lock cylinders that you want with the appropriate style number. If you are specifying key numbers, list the breakdown of the quantity of each key number.

An example of how your order should look is shown below:

Example:

10 LOCK9201FR FR320
5 LOCK9201FR FR350
15 LOCK9201XF XF1100

30 Total

1 877102003SR standard lock tool
1 877102002SR master lock tool

Keying Options

Key random means that the locks will be assigned arbitrarily at the factory with key numbers ranging from FR305 to FR454.

Tip: Random keying can mean that different furniture units will have the same key number. If you must have all locks keyed differently, you should specify key numbers for all locks.

Master key random means that the locks will be assigned arbitrarily at the factory with key numbers ranging from XF1001 to XF1150. All XF locks can be opened with a master key.

Tip: Random keying can mean that different furniture units will have the same key number. If you must have all locks keyed differently, you should specify key numbers for all locks.

Key specific means that you can specify any key number from FR305 to FR454. This option can be used to key all the furniture units in a workstation or department the same.

Tip: Designate the quantity per key number in your specification when ordering more than one product with the same style number.

Master key specific means that you can specify any key number from XF1001 to XF1150. All the locks in the XF series can be opened with a master key.

Tip: Designate the quantity per key number in your specification when ordering more than one product with the same style number.

Key consecutive means that you can specify lock numbers in a consecutive order to ensure that no two locks have the same key number until the key sequence repeats. You must select a beginning key number from FR305 to FR454.

Master key consecutive means that you can specify lock numbers in a consecutive order to ensure that no two locks have the same key number until the key sequence repeats. You must select a beginning key number from XF1001 to XF1150. All the locks in the XF series can be opened with a master key.

Lock Cylinders

Tip: Lock price is included in price of furniture with locks.

Tip: For replacement lock cylinders, refer to Service Parts.

Standard Includes

- Lock cylinder, keyed random: 9201 Polished Chrome or 9250 Ember Chrome
- Two keys

Required to Specify

- 1 Style number
- 2 Options, if selected (see below)

Options	Price	Required to Specify
Key specific	No cost	Select key number from FR305–FR454.
Key consecutive	No cost	Specify <i>key consecutive</i> and must select beginning key number from FR305–FR454.
Master key random	+\$30 each	Specify <i>master key random</i> .
Master key specific	+\$30 each	Specify key number from XF1001–XF1150.
Master key consecutive	+\$30 each	Specify <i>master key consecutive</i> and must select beginning key number from XF1001–XF1150.
