

Prototype 1 (Deep Thoughts)

Prototyping is a huge part of our design process. Whether made from wood, foam or a crapton of cardboard, each prototype is unique and often pretty rad. Our designers chose to showcase these primal forms for their sculptural and abstract nature punctuated with some serendipitous hues. Each print is sold individually, but to really impress your friends, hang a few (or all) together for one outstanding collection.

Product Details

PR1-PROTO1-XX

WHITE

\$295 **\$117.99**

- Matte white wood frame; 2" W x 1.25" D
- Faced with 3/32" thickness acrylic; UV filtration 66%
