

NIAD + Blu Dot "Untitled" (Multicolored Color Pencil)?

Artist Deatra Colbert has explored her art at NIAD for nearly 30 years. While she has dabbled in everything from fiber arts to clay, she favors working with pencils and crayons. Her playful and colorful compositions often feature flowers and sun, but one of her biggest influences is wrestling and wrestler Seth Rollins in particular.

Product Details	PR1-NIDMPN-XX	N/A	\$750
