

Solstice[®] Panel

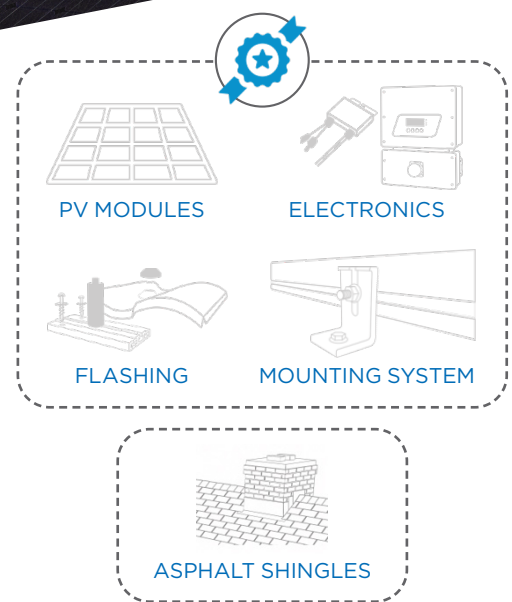

Choose a Solar System with Assurance

Protect your solar and roof investment with CertainTeed warranties

Ensuring your rooftop solar system doesn't violate your roof's warranty is important. With standard solar installations you have to rely on 3 different manufacturers for everything on your roof: the roofing shingles, the solar mounting system, and the solar panels. CertainTeed offers you the ability to have your entire rooftop solar system and the installation workmanship warranted by the same company.

Any solar system installed utilizing CertainTeed asphalt shingles, mounting hardware and electronics that are part of the AVL, and Solstice Panels will qualify for CertainTeed's "Umbrella Coverage".

Learn more at certainteed.com/solar or contact CertainTeed Technical Services at 1-800-396-8134 ext. 2 or rpg.solar@saint-gobain.com

- **For existing CertainTeed roofs or replacement roofs with CertainTeed roofing products, the entire roof (solar panels, racking, flashing & electronics and CertainTeed Shingles) and Solar installation workmanship are protected by complimentary warranties from one company**
- **Offered by CertainTeed Solar credentialed contractors**
- **No warranty finger pointing – solar and roof shingles are backed by CertainTeed**
- **Solstice Panel and AVL approved racking & flashing does not void CertainTeed asphalt shingle limited warranty against manufacturing defects**

Solstice® Panel & "Umbrella Coverage"

CertainTeed has been a leader in the building products industry for more than 120 years, and CertainTeed Solar is proud to offer you one of the strongest warranties in the solar industry that is backed by our 360+ year old parent company Saint-Gobain. Unlike other options where you have to rely on separate manufacturers for warranties on different components, with Solstice Panel, you get complementary warranties for Solar Panel, racking, flashing, electronics and Solar installation workmanship provided by the same company, including clearly stating that Solstice Panel installation does not void the CertainTeed asphalt shingle products limited warranty against manufacturing defects.

Why work with a CertainTeed Credentialed Solar Installer

- Solar contractors with CertainTeed credentials are skilled in their field. Their quality, attention to detail and professionalism allows them to offer CertainTeed's installation workmanship warranty for up to 25 years
- Warranty coverage for all major system components that are part of Approved Vendor List (AVL)
- End-to-end coverage for our products and the installation workmanship for Solar, even if the CertainTeed Solar Master/Select Solar Master or Solar Roofing Specialist is no longer in business
- If you already have a CertainTeed roof, or if you replace your roof with CertainTeed's roofing products, your entire roof and solar system are protected by complementary warranties from the same company

What does it cost?

There's no additional cost for CertainTeed Solar's comprehensive system and workmanship warranty, because you're working with a CertainTeed Select Solar Master or Solar Roofing Specialist.

If I have an issue, how does it work?

CertainTeed Solar's warranty is straightforward. If you're having a problem with your solar system, contact your CertainTeed Select Solar Master or Solar Roofing Specialist. If they are not available, you can submit a warranty claim directly with CertainTeed by calling 800-345-1145 or online at www.ctndl.com/resndlsite

Your warranty covers the cost of having a CertainTeed or Select Solar Master or Solar Roofing Specialist:

- Test the system to determine the cause of a performance problem
- Repair or replace any defective components
- Correct any faulty Solar installation workmanship

Warranty Summary

Component	Company	Warranty Period: Gold		Warranty Period: Standard

Racking, Flashing	Snap n Rack****, IronRidge, Unirac	25 years	25 years	-	-
Workmanship**	CertainTeed	N/A	25 years	-	-

CertainTeed Asphalt shingle warranty coverage is as per the Asphalt Shingle warranty terms which is a separate warranty. When CertainTeed Solstice Panel's are installed over CertainTeed asphalt shingles, the installation does not void the asphalt shingle products limited warranty against manufacturing defects.

*Applies only to photovoltaic module defects which cause the effective output to fall below the performance levels stated in the Linear Performance Warranty.

**Covers Solar workmanship only. Any defect in workmanship, detected within the first two (2) years, will be corrected by the Select Solar Master or Solar Roofing Specialist.

***Warranty coverage for manufacturing defects in data monitoring equipment shall be as per manufacturers terms and conditions and will not be covered by CertainTeed.

****Only when used with M1 sealant
