

# RUCKUS®

Post-Leg Desks

Ruckus post-leg desks feature a variety of configurable shapes to support group work or focused, individual work in both active learning and traditional learning spaces. Fixed and adjustable heights accommodate users of all sizes, enable tiered rows for improved sightlines and support standing height applications. The comprehensive Ruckus collection supports learning space transformation.

# RUCKUS POST-LEG DESK FEATURES

- A. Shapes**  
Five shapes in various sizes for student engagement and reconfiguration – E-triangle, OddQuad (patented KI desk shape), R-triangle, Rectangle (shown) and Trapezoid.
- B. Durable Edges**  
73P and 74P bonded poly edge banding provides moisture and tamper resistance (available in numerous standard colors).
- C. Optional Undersurface Storage**  
Choose from: book basket, small book box, large book box or removable tote storage (shown). Desk tops are pre-drilled to accept all options.
- D. Fixed or Adjustable Height**  
Fixed height is 29". Floor height adjustable 11½–18½". Sit height adjustable (shown) is 20–33". Sit-stand height adjustable is 29–42". Legs adjust in 1" increments with set screws.
- E. Bases**  
Three base options: glides, casters or both casters and glides to allow wheelbarrow motion. Interchangeable same-height casters and glides can be changed quickly in the field while maintaining original surface height. Casters are dual-wheel locking. Glides are available in nylon or felt.
