OPT4 HIGH-DENSITY STACK CHAIR FEATURES

- A. Comfort**
Body-conforming mesh seat and/or back offers a clean, comfortable, lightweight design. Curved front seat with waterfall edge minimizes pressure points for enhanced comfort.
- B. Material Options**
Available as mesh seat/mesh back, mesh seat/poly back, poly seat/mesh back or poly seat/poly back. Optional cushioned upholstered seat provides added comfort and more design options.
- C. Integral Handle**
Poly backrest has handle for ease of movement.
- D. Stacking Bumper**
Designer-friendly stacking bumper protects seat cushion. Available with upholstered seat only.
- E. Glides**
High-density chair - four glides (nylon, steel, felt or PVC/non-skid).
- F. Stacking**
High-density chairs stack 38-high on dolly and 10-high on floor (poly, mesh or upholstered). Chairs with upholstered seats stack 20-high on dolly (5-high on floor). Transport dolly for ease of movement and storage.
