

# RUCKUS®

Whiteboards

Ruckus whiteboards support interaction and ideation in learning or work environments. The ideal “show-and-tell” tool, they combine a dry-erase surface and a sound absorbent, tackable PET felt surface. Whiteboards have a unique, intuitive shape for easier handling. Display and storage options include user-controlled pivoting dock, versatile widget, hanging wall track and mobile cart.

# RUCKUS WHITEBOARDS FEATURES

- A. Multipurpose (2-in-1)**  
Dry-erase surface is backed by a tackable PET felt surface to support generating and sharing content, allowing students and educators to express, display and present their ideas. PET felt surface is sound-absorbing to dampen distracting noise (0.55 NRC Value).
- B. Palette Shape**  
Unique yet functional shape improves handling and positioning.
- C. Multiple Sizes**  
Four sizes accommodate both individual use and group collaboration.
- D. Privacy Divider**  
When used in the pivoting dock or supported by the widget, whiteboards serve as dividers that provide privacy during testing or focused work.
- E. Leather Straps**  
Display or store whiteboards on a wall track.  
Paper notes can also be tucked under the straps.
- F. Magnetic Dots**  
Attach dry-erase markers or other magnetic accessories to whiteboards.
- G. Mobile Display Cart**  
Display and store whiteboards (all four sizes) on the mobile cart that can be easily moved from place to place.

*Designed by Jonathan John Pidwell and Tobias Greissing (Imsinne)*
