

Product Environmental Profile - Millbrae™

This information applies to Millbrae Lifestyle Lounge

Environmental Attributes

Product Category — Seating: Lounge

Certifications — SCS Indoor Advantage™ Gold certified for

indoor air quality in North America

level® 1 certified to ANSI/BIFMA e3 standard

LEED Contribution — Recycled Content

Regional Materials

Low-Emitting Materials

Environmental Facts — Up to 57% recyclable

Up to 12% recycled content

Recycled Content Summary

Model	Total Weight (lbs)	Recycled Content (lbs and %)		Post-Consumer (lbs and %)		Pre-Consumer (lbs and %)		Recyclability (lbs and %)	
COMSL1	89.1	10.4	12%	4.6	5%	5.7	6%	51.2	57%
COMSL2	126.6	12.9	10%	6.5	5%	6.4	5%	49.9	39%
COMSL3	163.9	19.2	12%	8.3	5%	10.9	7%	68.5	42%

Disclaimer

Numbers may vary based on model and options selected. Calculations based on MillbraeTM Lifestyle Lounge of recycled content are based on data provided by suppliers and other available information. This data may include industry averages, ranges or other broadly based information. Steelcase makes conservative assumptions when compiling this information to provide the most accurate recycled content calculations possible but variability in market conditions or manufacturing processes may result in higher or lower content. This document will be reviewed and updated periodically and is subject to change without notice.

LEED-DESIGN & CONSTRUCTION (formerly LEED-NC, LEED-Core & Shell & LEED-Schools)	Materials & Resources	MR 4 (recycled content)	See MR 4 above.		

Other Credit Contributions

Although not specific to this product, Steelcase has other corporate wide programs that can help support certain LEED credits. For example, many of our products can be blanket shipped, or shipped using recyclable packaging materials. Both options help support Materials & Resources credits targeted to prevent construction waste from being sent to a landfill.

Also, both product longevity and the Steelcase Phase 2 Program for end of life reuse/recycling support Materials & Resources credits for Material Reuse, Furniture & Furnishing Reuse, or Source Reduction & Waste Management.
