

bevy pedestal work tables

features

Bevy is a dynamic table platform that enables endless configuration. Various heights and sizes give people the ability to work in countless ways in any space. Bevy tables fill many different scenarios and spaces. From occasional and coffee tables; cafe, work and personal task tables; to small and larger conference environments, Bevy can be used anywhere. By addressing the diverse needs of various spaces, Bevy allows people to choose how and where they work.

planning

Bevy enables personalization within every configuration through Studio TK's finishes program. Base finishes, including polished aluminum and powder-coat colors, achieve true customization and durability in high-use areas like cafés and dining spaces. Several top sizes in different top surface finishes create an array of choice. A substantial frame under-structure allows for easy wire management, along with providing strength and stability.
