PALERMO NATURAL STONE

Una vera e propria materia d'arredo, ricavata elaborando l'estetica di diverse pietre esistenti in natura. "Natural Stone" Piemme è un moderno grès porcellanato dai toni delicati e dalle venature discrete, mai eccessive.

A real furnishing material, obtained by processing the aesthetics of various kinds of natural stones, Piemme "Natural Stone" is a modern porcelain stoneware with delicate colour shades and discreet and never excessive veins.

Ein echtes Einrichtungsmaterial, gewonnen aus einem Mix der Optik verschiedener Natursteine. Piemme "Natural Stone" ist ein modernes Feinsteinzeug in zarten Tönen und mit dezenten, unaufdringlichen Aderungen.

Cette véritable révolution en matière d'architecture intérieure est le fruit d'une étude précise sur les différentes pierres existant dans la nature. "Natural Stone" by Piemme est un grès cérame moderne, aux teintes délicates, aux veines discrètes parfaitement dosées.
