

SOUTHERN ANALOG

Milliken[™]

INSPIRED. INSPIRING.

Unlike the unpredictable lo-fi cameras used to inspire it, the Southern Analog collection always delivers worthwhile results. Variegated linear elements create a dreamlike impression of motion. Rhythmic installations take it further still, to provide vistas yet to be conquered.

SUSTAINABLE FEATURES

Southern Analog is manufactured with WellBAC® Comfort cushion backing, and is certified NSF-140 Gold with over 47% pre-consumer recycled content by total weight. **Southern Analog** is also available with our NSF-140 Platinum backing option. All Milliken modular carpets carry Environmental Product Declarations and Health Product Declarations, which contribute to LEED certification. Additionally, Milliken modular carpets carry Declare® transparency labels and comply with the Red List Imperative of the Living Building Challenge.™

TRACTIONBACK

Simplify your modular installation with Milliken's patented TractionBack®, an innovative backing system that is faster, more cost efficient, and environmentally superior to wet adhesives and peel-and-stick carpet tile.
