lines on natural
and artificial fields,
SherStripe[®] is a
proven winner.

Athletic Field Marking Paints

Bright. Durable. Easy to apply. *SherStripe*[®] is an MVP on any field.

Available in formulas for natural or artificial athletic fields, SherStripe Field Marking Paints can't be beat for delivering crisp, clean lines and standout performance.

Both Winning SherStripe Paints:

- Are ideal for professional, collegiate, high school and recreational athletic events — baseball, football, soccer, track and more
- Are readily available at Sherwin-Williams stores every day — no need to place and store large seasonal orders
- Deliver excellent spray application
- Require no reduction or dilution — if needed, can be reduced 4:1 with water for touch-up or line refresh
- Withstand severe weather and rough usage on the field
- Cover large areas well — applying easily and drying quickly

SherStripe Natural Grass Field Marking Paint

- Won't harm grass or stain uniforms or equipment
- Available in Bright White — with state-of-the-art optical brighteners for the most eye-catching marking lines
- Also available in White, Yellow, Blue, Red and Black — plus a Neutral base for matching team colors

SherStripe Artificial Field Marking Paint

- Can be removed with Simple Green[®]
- Fast-drying latex paint specially formulated for defining artificial turf
- Available in Bright White, Yellow, Red and a Neutral base for matching team colors
