CASEGOODS COLLECTION

NATIONAL®

# Modern design, optimal functionality.

Epic offers a rich yet contemporary vibe that provides solutions to bridge all spaces from open plan workstations and private offices to conference rooms and dining hubs. Modular in style, Epic has the flexibility and breadth of line to design configurations that are tailor-made for specific work styles, individual preferences, and atypical floorplans. Integrate mixed materials, layered worksurfaces, and unique storage to create a progressive space that delivers premier performance.
