Kolo Pod

NATIONAL®

The turnkey conference solution.

Designed to offer a choice for privacy in open settings, Kolo Pods are an ideal solution for working, learning, and healing spaces. Employees and guests appreciate spaces that can flex to support focus and collaboration. Kolo Pods create spaces that accommodate a mix of activities from individual and one-on-one interactions to gatherings with up to eight people.

CAR — CERTIFIED AUTISM RESOURCE

Available in five sizes and an ADA-compliant model, the Kolo Pod makes it easy to find the right solution for any environment. Constructed with our innovative Anti-Eavesdrop design, speech intelligibility is obscured and sounds are dampened so that confidential conversations are kept private. For focused work or meetings with up to eight people, Kolo Pods offer a quiet space that can be relocated if floorplans change.

FEATURES + OPTIONS

ANTI-EAVESDROP DESIGN

Our unique Anti-Eavesdrop design reduces noise by up to 33dB both inside and outside of the pod.

ROLLING TECHNOLOGY

Every pod (except our ADA-compliant model) is equipped with easy-to-use rollers, so you can move them anywhere in your office, even after installation.

AIRFLOW

Motion-activated fans within our Kolo Pod models refresh the air in less than 3 minutes, maintaining optimum comfort and safety.

PLUG + PLAY

Our Kolo Pods are standard with built-in ethernet ports, AC power outlets, and USB charging ports. Simply plug the power cord into a grounded, 15A outlet and get right to work.

OPTIONAL DECAL

Choose an optional standard decal for additional visual privacy, or show off your brand identity with custom decals.
