## CASEGOODS COLLECTION

WaveWorks has been a foundation for creating inspiring spaces where connections happen. With a broad portfolio of desks, storage, planters, and tables WaveWorks offers the flexibility to outfit an entire organization. Choose from a seemingly infinite combination of materials, finishes, rim profiles, and pulls to create the style you desire.

*"Originally, I designed WaveWorks in 1999. Through the years, it's expanded to address updated needs and customer requests. Its design, quality, and value combined with its flexibility and continued expansions, make WaveWorks an ideal solution."*
