

Space efficient design (38.4"W x 27.3"D x 37"H) stores up to 18 individual laptop computers.

Fully mobile storage solution

Removable rear service panel

Integrated presentation area

Built-in power supply

Convenient cable storage

Maximum security

Laptop Cart

Secure, store and transport your notebook computers with Wright Line's new Laptop Cart – a fully mobilized training center. This space-efficient, heavy duty steel dynamo is ready to power and protect your notebook computers with integrated power and data sources. The Laptop Cart ships fully assembled and ready to use. And, as with all Wright Line products, it's multi-function-

al with a built-in platform for television and monitor displays, or as a lectern for presentations.

Another technical innovation to satisfy the needs of training labs, classrooms and media environments ... like yours.
