

florense

wood casegoods

The elegant Florense FW Collection is a wood veneer office furniture line featuring quality finishes and solid frame construction. The breadth of the line allows for countless configurations to fit each user's specific requirements.

Florense offers a complete range of desks, credenzas, hutches, conference tables and storage cabinets. Desks are available in rectangular, curved-top, P-Top and bullet shapes. Corner connectors, returns and bridges allow you to connect desks to credenzas to form functional and practical workspace solutions. Pedestals and lateral file options complete the collection, providing personal storage under the worksurface or as mobile and standalone units.

FW Conference Room Collection

The FW Collection is offered with select hardwood veneers in Cherry, Mahogany or Maple and is available with radiused or reeded edge banding.

Specifications:

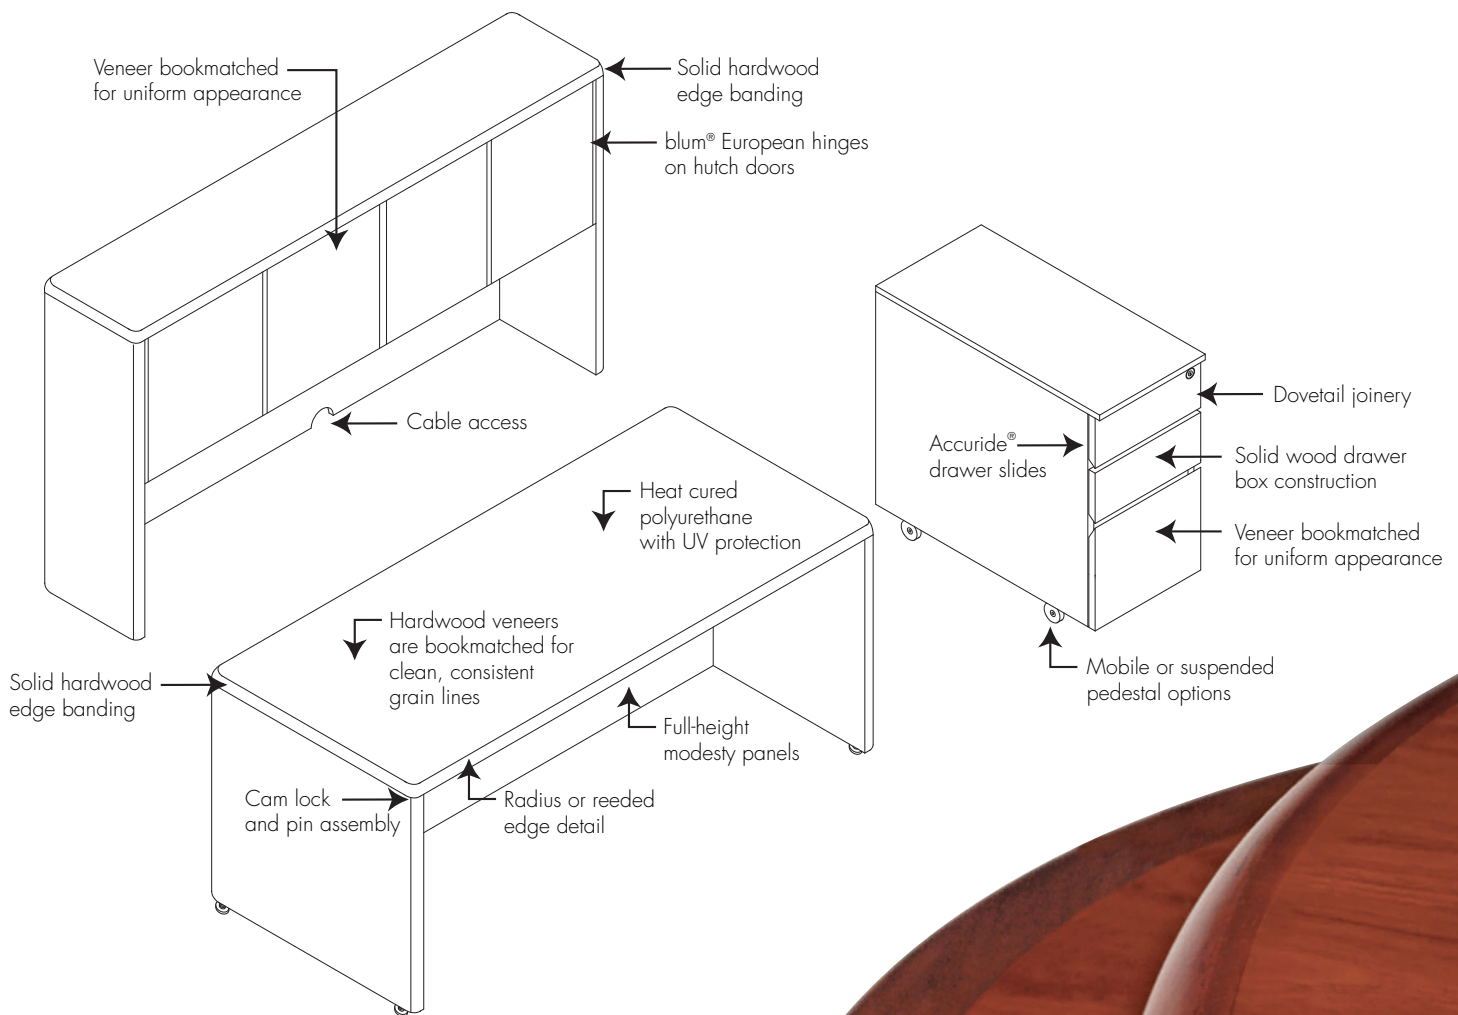

- Veneer: Cherry, Mahogany or Maple
- Finish: The handmade finish is heat treated to provide durability
- Drawers: Solid wood, sanded and finished inside and outside, with locking mechanism
- Drawer Suspensions: Quiet, fully progressive metal suspensions with steel ball-bearings on all file drawers

▲ Florense conference tables are a beautiful addition to any meeting room. The variety of top shapes and thicknesses combined with a selection of base options provide the ideal solution for all conference needs. Complementary conference storage cabinets and accessories complete the offering.
