

A WATTS Brand

7910 Single Valve Recessed Hose Box

- Single Supply Valve
- Screwdriver Stop
- 3/4" Hose Connection Vacuum Breaker
- Stand-Off Bracket Keeps Valve Securely in Place

Specifications

Material

Box is constructed entirely of 16 gauge, type 304 stainless steel. All exposed stainless steel surfaces are polished to a #4 satin finish. All fittings are brass.

Construction

Wall Anchoring

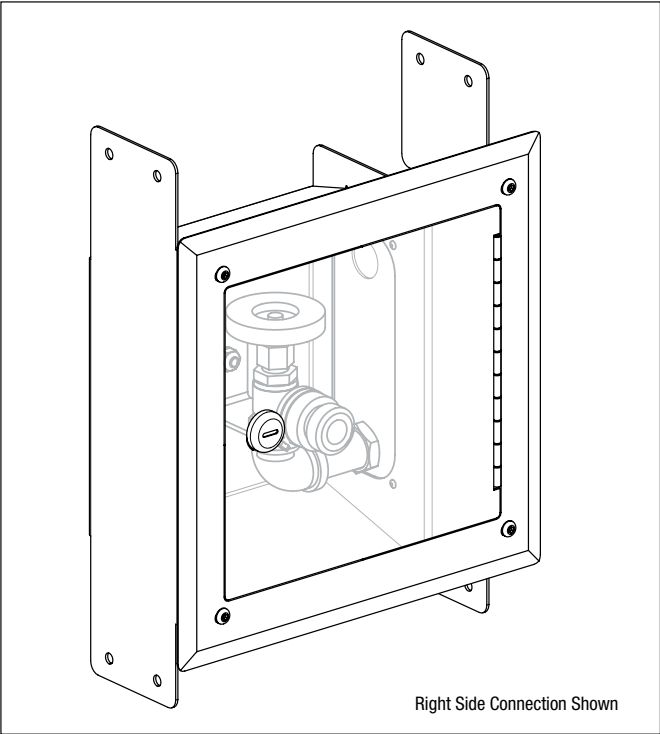

Box is furnished with four stainless steel tabs which provide a secure means for anchoring to the wall.

Supply Connection

Supply can be configured with top, left or right side connection. Supply inlet is 1/2" NPT. Outlet is 3/4" hose.

Standard Equipment

Recessed box with valve, screwdriver stop, vacuum breaker, and removable wall flange.
