

A WATTS Brand

Shower Features

Bradley Showers

- Prefabricated units eliminate the need to “build” on site
- Only one set of supplies required for models serving users
- Concealed piping (eliminate in-wall piping)

Applications

Bradley offers a variety of shower types that meet the needs of most shower room applications: wall-mounted showers, column showers, privacy showers and ADA compliant showers.

Column Showers

- Preassembled, shipped complete with drain
- Only one set of supplies required for units serving 2-6 users
- Easy access to concealed supply piping
- Excellent for remodeling: by-pass worn out valves and piping without costly repair

Privacy Showers

- Available in column or wall-mounted models
- Only one set of supplies required to serve multiple users
- Column and wall-mounted units can be combined to make the most of available space
- Stainless steel partitions can be used to create a diversity of private showers and dressing booths

Optional Equipment

All showers can be combined with optional equipment that allows you to meet the needs of specific job requirements.

ADA Compliant Showers

Bradley offers ADA compliant models which meet all known ADA requirements for reaches, clearances, and operation.

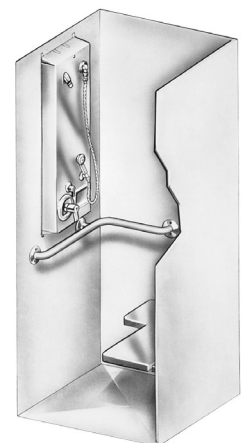

WS-3W Wall-Mounted Shower:
3-station shower with TouchTime® valve.

COL-5C Column Shower:
5-person shower.

WS-2W-MS Privacy Shower:
2-station Econo-Wall multi-stall shower.

HN250 ADA Compliant Shower:
Surface-mounted wall shower for
Barrier-Free applications.

Verify all rough-in dimensions prior to installation.
Consult local and national codes. Conformity and compliance to local
and national codes is the responsibility of the installer.
