What does this warranty not cover?

Damage which may occur from improper maintenance or exposure to abnormal conditions is not covered by this warranty. If subject to abnormal conditions or improper maintenance, the product should be removed immediately and replaced once the conditions of installation are normal.

This warranty does not extend to variations in the natural characteristics of metal, such as deflection, which may be affected by the type of material used and dimensions and shape of the panel. This warranty is void if Armstrong MetalWorks Linear Exterior Ceiling panels and Suspension Systems have not been installed together as a system, or if the ceiling system is installed in non-recommended applications.

THIS EXPRESS WARRANTY CONSTITUTES THE ENTIRE OBLIGATION OF ARMSTRONG WORLD INDUSTRIES AND THERE ARE NO OTHER WARRANTIES EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PURPOSE WHATSOEVER. LIABILITY IS LIMITED TO THAT SET FORTH BELOW AND ARMSTRONG WORLD INDUSTRIES SHALL IN NO EVENT BE LIABLE FOR ANY INSTALLATION OR REMOVAL COST OR FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES OR PERSONAL INJURY.

Warranty Conditions

Prior to installation, the panels and/or suspension system must be kept clean and dry and not subject to abnormal conditions (as specified above). If the panels and/or suspension system are installed in, or subsequent to installation are exposed to abnormal conditions or improper maintenance, then the panels and/or suspension system may be damaged. Such damage is not covered by this warranty nor is it the responsibility of Armstrong World Industries.

All Armstrong World Industries products shall be installed in accordance with written Armstrong World Industries installation instructions for that product in effect at the time of installation.

The ceiling panels and suspension system shall not be used to support any other material.
