

Sail II

- Single lamp adjustable indirect pendant with scoop for wall wash purpose
- Adjustable head (scoop) 355 degrees
- Solid aluminum hardware with powder coat or metal plated finish
- Field cuttable suspension/conductor rods
- Suitable for task and display lighting applications
- Xelogen 12V GY6.35 max. 50W lamp
- 35W xelogen lamp included
- Go to [lamps](#) for other options
- When choosing monopoint P1, P2, P3, P4, or P5, you must order proper [transformers](#) or [drivers](#)
- This fixture can be mounted on any Prima Lighting Track System and ceiling canopy through use of an appropriate adapter, see website for available system codes and specialized spec sheets.

Special Note: *All fixtures and lighting systems must be used with dedicated circuit and a Prima transformer, driver and/or ballast to comply with cUL/cETL listing; or all warranties are void.

DIMENSIONS ARE IN MILLIMETERS [INCHES]
(NOT TO SCALE)

Variable Specs

Note: Variable spec listed below are dependant on system code selection. [Click here to see specific variations.](#)

- ☐ Polished Chrome
- ☐ Silver or Aluminum
