

Non-Stop Heavy Duty XL

TASK CHAIR

Around-the-clock comfort.

Designed for durability and backed by solid steel, Non-Stop™ differs from the typical chair construction in that all its mounting points are reinforced with heavy-gauge steel mounting brackets. These solid steel fasteners are second to none for reliability and ergonomic comfort in high-intensity environments where chairs perform all day, every day and support a wide range of users. This heavy duty chair is rated to accommodate users up to 500 pounds and easily handles the demands of 24-hour environments.
