Eames® Molded Plywood Lounge Chair Metal Base

Designer

Charles and Ray Eames

Original Production Date

1946

Warranty

5 years

Declared the “Best Design of the 20th Century” by Time magazine, this lounge chair by Charles and Ray Eames is still crafted using the groundbreaking plywood-molding techniques the duo invented in the early 1940s. Available with or without upholstery and in six veneer options, it is smartly suited for residential and commercial spaces calling for elegant and timeless lounge seating.
