

Tu[®] Storage

Designed to house lifestyle and work belongings, Tu Storage offers a personal connection to your work and workplace. The multifunctional design goes beyond utility, creating boundary between workpoints, a place for guests to sit, and power integration for charging devices. The storage complements our entire portfolio of workspace solutions, and sizes and configurations can be modified as needed.

Key features

- 1. Mini personal tower**
The mini personal tower is fully enclosed with a single pull-out door. Standard interior has area for bag storage and for files. Optional drawer provides additional storage of smaller items and can be specified with USB power.
- 2. End-of-run storage**
This end-of-run storage unit provides several configurations of recycle bins, drawers, and open shelves. It has an all-laminate case and front.
- 3. Space delineation**
Wardrobe towers and end-of-run storage can be used to create boundary between workpoints.
- 4. Wardrobe tower**
The wardrobe tower is available in a laminate case and front. The wardrobe comes in eight heights, three widths, and three depths.
