\* Additional Notes for Installation & Reconfiguration and Relocation Services:

FOB Destination (Drop Ship): Price includes product delivery to the site, brought to the tailgate of the truck. The purchaser is responsible for unloading.

Prices effective up to the maximum order by SIN only. Above the MO, pricing shall be negotiated on a case-by-case basis between the client and local dealer.

Standard Services are Subject to the Following Conditions:

Installation will be performed during normal weekday working hours.

Adequate facilities for delivery, unloading, moving and staging/storing the product during the installation process shall be provided.

Service work will not be hindered by other trades.

Electric, heat, and adequate elevator service will be furnished without charge.

The immediate installation area shall be complete and free of debris including the carpet/flooring before installation commences.

Any work requiring a licensed electrician is the responsibility of the buyer.

Additional Charges May Apply For:

Major Metro Markets and any non-ground floor installation. Major Metro Markets include large population centers and urban environments.

Installation in a clinical/medical environment.

Special restrictions or limits established by local laws, ordinances or the directions of the buyer, including but not limited to restrictions on transportations of materials, street access to the job site and/or dock facilities.

Installations outside of a 50 mile radius of the servicing dealer.

Local Prevailing Wage and/or Union Labor Rates.

Any additional charges shall be quoted by the dealer and approved by the buyer prior to performance of the work.

Great Lakes Women's Business Council awards Herman Miller for "Excellence in Supplier Diversity" in the Advanced category.

WEConnect awards Herman Miller an Honorable Mention for global supplier diversity initiatives.

As one of the top-scoring companies in the industry for the 14th consecutive year, Herman Miller has qualified for inclusion in RobecoSAM's 2018 Sustainability Yearbook and receives the Silver Class distinction for excellent sustainability performance—economic, environmental, and social.

For the 11th consecutive year, Herman Miller receives a perfect score on the Human Rights Campaign Foundation's Corporate Equality Index and is designated as Best Place to Work for LGBT equality. This report evaluates U.S. companies in terms of diversity, particularly LGBT-related policies and practices.

# Contract Information

*continued*

Herman Miller receives Gold Medal from EcoVadis in recognition of Corporate Social Sustainability achievement measured in categories of environment, labor and human rights, ethics, and sustainable procurement. EcoVadis operates the first web-based collaborative platform that allows companies to assess the environmental and social performance of their global suppliers.

Aeron receives Good Design Award from The Chicago Athenaeum Museum of Architecture and Design.

The Cosm Chair wins Mix Interiors "Product of the Year—Task" award.

2017

Herman Miller receives "Rising Star Award" from the Michigan Veterans Affairs Agency (MVAA) for exhibiting new and novel approaches to veteran recruitment and hiring.

Herman Miller is named the 2017 "Corporation of the Year" in the consumer products sector by the Michigan Minority Supplier Development Council (MMSDC).

Herman Miller receives a 2017 SEAL (Sustainability, Environmental Achievement and Leadership) Business Sustainability Award. SEAL Award winners are determined by a holistic methodology measuring applicants against established benchmarks that demonstrate impact and progress toward creating a healthy planet and a sustainable future.

Herman Miller earns the 4 Star Diversity Visionary Award. This award celebrates the diversity, equality, and inclusion work of Herman Miller. The award is presented at the annual Diversity Equity Inclusion Summit, held by the Grand Rapids Area Chamber of Commerce.

Herman Miller is named one of the Best and Brightest in Wellness for the 5th year in a row.

Herman Miller earns its 10th consecutive perfect score in Human Rights Campaign Foundation's 2017 Corporate Equality Index.

As one of the top-scoring companies in the industry for the 13th consecutive year, Herman Miller has qualified for inclusion in RobecoSAM's 2017 Sustainability Yearbook and receives the Bronze Class distinction for excellent economic, environmental, and social sustainability performance. The selection criteria for inclusion in the Yearbook becomes more rigorous each year, and only the top 15 percent of companies within each industry are selected.

Herman Miller once again earns the WorldatWork Seal of Distinction, a unique standard of excellence in work-life effectiveness that shows we provide a distinct, mutually beneficial workplace experience. Herman Miller is the only furniture manufacturer among the 160 companies across the U.S. and Canada honored with the award.

Herman Miller's Mora wins Nightingale Silver Award in the "Furniture Collections" category at the 2017 Healthcare Design Conference.

2016

Herman Miller earns 9th consecutive perfect score in Human Rights Campaign Foundation's Corporate Equality Index and is designated as Best Place to Work for LGBT equality.

Herman Miller is recognized as the Business of the Year at the Annual Meeting of the West Michigan Environmental Action Council (WMEAC) for being an outstanding partner in support of the growth of WMEAC's programs. WMEAC's award goes to the business with the greatest depth and breadth of support, unwavering dedication to environmental action in West Michigan, and a strong corporate commitment to environmental advocacy.

The 101 Best and Brightest Sustainable Companies once again (5th consecutive year) recognizes Herman Miller as an organization in Michigan (and for the first time, in the nation) that exhibits leadership and innovation in its approach to sustainability. This award celebrates those companies that are making their businesses more sustainable, the lives of their employees better, and the community, both locally and globally, more responsible as a whole.

Herman Miller is recognized by the Michigan Minority Supplier Development Council (MMSDC) as a "Corporation of the Year". Additionally, we are the only West Michigan company this year to receive an "Ambassadors Championing Excellence" Award from the MMSDC.

Herman Miller is recognized with "2016 Excellence in Supplier Diversity Award" from the Great Lakes Women's Business Council.

Herman Miller is recognized as a 2016 Healthiest 100 Workplace in America, ranking 49th in the country for our commitment to health and exceptional corporate wellness programming.

Herman Miller receives the Best and Brightest in Wellness Award for the 4th year in a row. This program is an innovative initiative that recognizes and celebrates quality and excellence in health awareness.

The Michigan Occupational Safety and Health Administration renews Herman Miller's "Star" status, the highest workplace safety and health designation, for the Hickory facility in Spring Lake.

Plex Lounge Furniture from Herman Miller receives #MetropolisLikes award at NeoCon 2016.

Plex Lounge Furniture from Herman Miller receives Interior Design HiP Award for Workplace Seating/Lounge at NeoCon 2016.

Herman Miller is named a 2016 Women on Boards Winning Company. Companies selected for this recognition are considered champions of board diversity as 20 percent or more of their board seats are occupied by women.

Herman Miller is selected for inclusion in the 2016 RobecoSAM Sustainability Yearbook for the 12th consecutive year.

Herman Miller again earns the WorldatWork Work-Life 2016 Seal of Distinction. This award identifies organizations that focus on programs that promote work-life balance and overall well-being.

# Introduction

## A Note on the Organization of This Book

There are a few signals that will help you understand the organization of this book. Once you know them, you should be able to find your way around easily.

### Like a newspaper, this book is formatted with columns of text and illustrations that run vertically.

Information wraps from one column to the next and continues for as many pages as it needs to.

### Black bars are clues.

A black bar at the top of a page signals the start of information about a product.

This information is divided into two sections, each signaled by a black bar. Product Information includes a description, additional notes, and dimensional drawings. Specification Information, which always begins at the top of a column, includes a series of steps. Each step represents a decision you need to make in order to complete your product number. Steps must be followed sequentially. The number of pages needed to complete information on a product varies; some will be complete in one page; others may fill three or four pages. Just continue going through the steps until you run into the next product, signaled by the black bar at the top of the page.

Black tabs running along the outside edge of the page help you locate what section you are in or what section you want to go to. You can thumb forwards or backwards to find a section; tabs and text appear on both sides of the page.

The additional pages in the back of the book include the appendices and indices. They are signaled by a long black bar running along the outside edge of the page.

### The index is presented two ways.

The first index is in alphabetical order by product name. It can be helpful if you are new to the products and numbering scheme or if you are looking for a type of product, such as work chair or round table.

The second index is by product number. It lists, in alphanumeric order, the base product number, typically a five-digit number.

## General Information

This book is effective October 7, 2024, subject to change without notice. Products may be purchased from authorized Herman Miller dealers who will quote prices upon request. For more information about our products and services or to see a list of dealers, visit [www.HermanMiller.com](http://www.HermanMiller.com).

All prices are list prices. Additional services, such as planning services, design, storage, and installation, are not included and must be added to these prices when the additional services are requested.

Illustrations, specifications, and prices are based on the latest information at the time of publication. The right is reserved to make changes at any time without notice in prices, fabrics, finishes, materials, specifications, and models, and also to discontinue models and finishes.

Dimensions shown in the drawings are engineering drawing dimensions rounded up to the nearest  $\frac{1}{8}$ ". Product is shipped set up or knocked down. Products that include "Shipped knocked down" in the description require some assembly. If this statement does not appear in the description, the product is shipped assembled.

Service problems are normally handled by a Herman Miller authorized dealer. Where this cannot be accomplished on a local level, service problems should be referred to the Customer Care Representative for your region, Herman Miller, Inc., Zeeland, Michigan 49464.

### 20-Day or Less/Assigned Lead-Time Shipments

All products and options in this price book not designated by an Assigned Program icon  will ship in **20 business days or less** after being acknowledged by Herman Miller.

Products and options designated by an  are on the assigned lead-time program and may ship in 20 days, less than 20 days, or more than 20 days from order acknowledgement.

Mora™ Base Cabinets

**Product Information**

**Description**

These cases provide storage below a work surface and sit on a plinth base with 1½" adjustable glides. Cases come in several sizes and storage configurations, with or without locks. Finish applies throughout.

**Notes**

Order plinth base (CH250., CH255.) separately.

Order work surface separately.

Lock options lock the top drawer only.

For keyed-alike locks, order lock plugs separately.

For service parts, bottom large drawer has slightly different dimension than middle large drawer.

**Product Information**

**Description**

These cases provide storage below a work surface, trash solutions, or act as sink cabinets. The cases sit on a plinth base with 1½" adjustable glides. The trash cabinet accommodates a 7-gallon waste bin. Finish applies throughout.

**Notes**

When specifying full door with trash cutout (TC), waste bin not included. See Planning Guide for recommendations.

Order work surface or work surface with sink separately.

Order plinth base (CH250, CH255.) separately.

When using cabinet as a sink cabinet, a fixed panel front option is recommended to hide plumbing.

Door with trash cutout (TC) storage option cannot be used as a sink cabinet.

All storage options have adjustable shelf.

Order ganging hardware (CH110.) separately.

**Product Information**

**Description**

The wall-mounted door towers attach to an architectural wall with a cleat. The towers provide easy access to storage or house gloves and trash. The trash tower is designed for a 10-gallon waste bin. The door towers have 2 adjustable shelves. Door tower specified with all shelves has 3 adjustable shelves. The door tower shares a lower cleat with the adjacent product, and comes with 1 additional 15"- or 24"-wide cleat to mount on the top location (separate 15"- or 24"-wide cleat not included). Glove box holders are included but field installed.

**Notes**

When specifying side trash/glove access with interior shelving (T), waste bin not included. See Planning Guide for recommendations.

When specifying woodgrain laminate, grain direction is always vertical.

For keyed-alike locks, order lock plugs separately.

Order the following products separately:

- Hanging cleat (CH100.)
- Ganging hardware (CH110.)

**Product Information**

**Description**

These towers sit on a plinth base with 1½" adjustable glides. They provide storage, easy access to gloves, and trash solutions. Towers with trash access are designed to hold a 10-gallon waste bin. The door tower specified with all shelves has 3 adjustable shelves and 1 fixed shelf.

**Notes**

When specifying side glove and front trash access with interior shelving (C) or front trash access with interior shelving (T), waste bin not included. See Planning Guide for recommendations.

When specifying woodgrain laminate, grain direction is always vertical.

For keyed-alike locks, order lock plugs separately.

Order the following products separately:

- Plinth base (CH250. or CH255.)
- Ganging hardware (CH110.)

CH410.

## Product Information

### Description

The sloped-top wall-mounted door towers attach to an architectural wall with a cleat. The towers provide easy access to storage or house gloves and trash. The trash tower is designed for a 10-gallon waste bin. Glove box holders are included but field installed. The door tower specified with all shelves has 3 adjustable shelves.

### Notes

When specifying side trash/glove access with interior shelving (T), waste bin not included. See Planning Guide for recommendations.

When specifying woodgrain laminate, grain direction is always vertical.

Sloped top grain direction should match the grain direction of adjacent sloped top panels.

For keyed-alike locks, order lock plugs separately.

Order the following products separately:

- Tower sloped top panel (CH316.)
- Hanging cleat (CH100.)
- Ganging hardware (CH110.)

Sloped Top To-the-Floor Door Towers CH415.

**Product Information**

**Description**

These sloped-top towers sit on a plinth base with 1½" adjustable glides. They provide storage, easy access to gloves, and trash solutions. Towers with trash access are designed to hold a 10-gallon waste bin. The door tower specified with all shelves has 3 adjustable shelves and 1 fixed shelf.

**Notes**

When specifying side glove and front trash access with interior shelving (C) or front trash access with interior shelving (T), waste bin not included. See Planning Guide for recommendations.

When specifying woodgrain laminate, grain direction is always vertical. Sloped top grain direction should match the grain direction of adjacent sloped top panels.

For keyed-alike locks, order lock plugs separately.

Order the following products separately:

- Tower sloped top panel (CH316.)
- Plinth base (CH250. or CH255.)
- Ganging hardware (CH110.)

Corner Filler

CH435.

**Product Information**

**Description**

This component fills space between 2 cabinets at a 90° corner to give the cabinets a finished appearance.

**Notes**

Corner filler can only be used with cabinets of equal depth.  
 Corner fillers for upper cabinets include a painted metal top. Paint finish is 91 white.

**Product Information**

**Description**

The wall-mounted wardrobes attach to an architectural wall with a cleat. The wardrobes provide easy access to storage and have several interior storage options. The wardrobe shares a lower cleat with the adjacent product and comes with 1 additional 15" or 24"-wide cleat to mount on the top location (separate 15"- or 24"-wide cleat not included).

**Notes**

When specifying woodgrain laminate, grain direction is always vertical.

For keyed-alike locks, order lock plugs separately.

Order the following products separately:

- Hanging cleat (CH100.)
- Ganging hardware (CH110.)

# Sloped Top To-the-Floor Double Door Wardrobe CH550.

## Product Information

### Description

These sloped-top double-door wardrobes sit on a plinth base with 1½" adjustable glides. They provide easy access to storage and have 1 interior shelf and a clothing bar.

### Notes

When specifying woodgrain laminate, grain direction is always vertical.

Sloped top grain direction should match the grain direction of adjacent sloped top panels.

For keyed-alike locks, order lock plugs separately.

Order the following products separately:

- Tower sloped top panel (CH316.)
- Plinth base (CH250. or CH255.)
- Ganging hardware (CH110.)

**Product Information**

**Description**

These guides mount under a cantilevered surface to guide a Mora™ supply cart, linen cart, or trash cart into place. Set of 2 guides (left and right).

**Notes**

Order 1 set of guides per cart.

Use with thin cantilever is recommended.

Guides are used with all surface depths and have stopper to keep flush to front of case.

**Dimensions**

**Specification Information**

**Step 1.**

**CH505.**

**\$181**

Mora™ Mobile Carts

**Product Information**

**Description**

This supply cart provides mobile storage. It comes in several sizes with no lock, keyed lock, and keyless lock options. Base finish is cool grey neutral with wall saver function in all directions. Front casters lock. Case finish applies throughout.

**Notes**

34" height fits under a 34"-high surface with a 1" gap.

36" height fits under a 36"-high counter with a 1" gap.

Order the following products separately:

- Intermediate thin cantilever (CH665.)
- Cart guide (CH505.)
- Surface wall attachment support (CH646.)
- Corian® work surface (CH600.)
- Corian work surface with sink (CH605., CH606.)

Corian Work Surface with ADA Sink CH607.

**Product Information**

**Description**

This Corian® work surface with ADA sink attaches to the top of an ADA sink enclosure or spans multiple cases.

**Notes**

- Order ADA sink enclosure (CH240.) separately.
- Order wall-mounted or to-the-floor door cases separately.
- Sink will always be centered over a sink cabinet.
- Surface is 1" thick.
- For extended surface, the extension must be on opposite end from sink.
- Order end panel (CH655.) separately.
- Faucet must be field supplied.

# Corian Work Surface with Work End and Oval Sink CH615.

## Product Information

### Description

This Corian® work surface with work end and sink attaches to the top of 1 or more base cabinets. The work end allows for a quick touchdown space and can integrate technology. Work surface comes with integrated backsplash.

### Notes

Surface is 1" thick.

Work end adds 18" to width and is 26" deep.

When sink is on the left, work end is on the right. When sink is on the right, work end is on the left.

Sink will always be centered over a sink cabinet.

Faucet must be field supplied.

When using in-line technology cabinet (CH720.) below, do not include its width when specifying the total width of cabinets below surface.

To use Flo® monitor arm, order cast grommet (Y92050.OI) for use with Flo monitor arm separately. Grommet hole is field cut. See Planning Guide for more information.

Order the following products separately:

- Wall-mounted drawer or door base cabinets (CH200., CH210.)
- To-the-floor drawer or door base cabinets (CH220., CH230.)

**Product Information**

**Description**

This HPL work surface with work end attaches to the top of 1 or more base cabinets. The work end allows for a quick touchdown space and can integrate technology.

**Notes**

Surface is 1" thick.

Work end adds 18" to width and is 26" deep.

When using in-line technology cabinet (CH720.) below, do not include its width when specifying the total width of cabinets below surface.

To use Flo® monitor arm attached to surface, order cast grommet (Y92050.01) for use with Flo monitor arm (Y91171.GR01) separately.

Grommet hole is field cut.

Order the following products separately:

- Wall-mounted drawer or door base cabinets (CH200., CH210.)
- To-the-floor drawer or door base cabinets (CH220., CH230.)
- (2) Surface wall attachment supports (CH646.)
- HPL backsplash (CH650.)

# Corian Backsplash

CH652.

### Product Information

#### Description

This Corian® backsplash sits on top of a Corian work surface. This separate backsplash does not have an integrated cove.

#### Notes

Backsplash is 1/2" thick.

Backsplash edges must be silicone sealed in the field.

Order Corian work surface (CH600.), Corian corner work surface (CH602.) or Corian work surface with work end (CH610.) separately.

To use this separate Corian backsplash, Corian surfaces without backsplashes must be specified.

See planning guide for information about how to order separate Corian backsplashes for corner applications.

# 20-Day or Less/Assigned Lead-Time Order Information — Healthcare

GSA

## 20-Day or Less/Assigned Lead-Time Programs

20-day or less and assigned lead-time products are designed for established Herman Miller dealers with pre-approved credit.

Products are distributed from multiple manufacturing facilities across the United States. All products and options not designated by an Assigned Lead-Time icon  will ship in 20 business days or less after being acknowledged by Herman Miller. Products and options designated by an  are on the assigned lead-time program and will ship in 20 days, less than 20 days, or more than 20 days from order acknowledgement.

## Ordering Procedure

Please place orders through Order Manager. If this is not available to you, place orders through mail or fax. Verbal purchase orders will not be accepted.

Order Entry fax number: (616) 654 3085.

For more information, contact your Customer Care representative at: (866) 854 3048 ext 3400

## Shipments and Delivery

Per Herman Miller Terms and Conditions.

## Changes and Cancellation

Per Herman Miller Terms and Conditions.

GSA

## Packaging

Packaging varies according to individual product. A surcharge may be added for special packaging requests. Contact Customer Care for specific information.

## Keyed-Alike Locks

All components with locks may be specified keyed alike.

Keyed-alike Mora System components will be shipped with lock chassis installed. Lock plugs will be shipped separately, tagged for product and location as specified. Installation of lock plugs will be on-site according to instructions provided. Herman Miller Inc., will not be responsible for lock plug installation.

To order keyed-alike locks for Mora System components, specify keyed alike. Then place a separate order for plugs and locks:

1. List plug part number and key number (232092-XXX); select a key number (or numbers) between 226 and 427, excluding numbers 408 and 412.
2. List quantity of locks per key number.
3. Indicate this is a no charge order.

Keyed-alike locks are field installed.

A master key can be used to open any lock on a Mora System component. To remove lock plugs from existing components, a removal key (#232228) or lock change tool (#234559) is required. Customers interested in ordering master keys, removal keys, or lock change tools should contact Customer Care with a written request.

For more information about our products and services or to see a list of dealers, please visit us at [HermanMiller.com](http://HermanMiller.com) or call (800) 851 1196.
