Designer

E00S for Geiger

Original Production Date

2019

Warranty

12 years

A lattice of hand-strung parachute cords gives the Crosshatch Settee its lightweight, transparent silhouette. A welcome extension of the Crosshatch Chair family, it seats up to two people. The settee is available in a wide selection of wood frame finishes, upholstery options, and cord colors. Designed by E00S for Geiger, the Crosshatch Settee has been curated into the Herman Miller Collection.
