

AAC 121

PRODUCT FACT SHEET

AAC 121

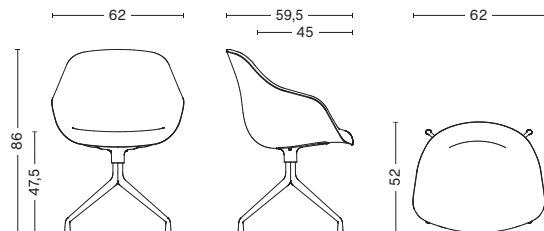

DESIGN BY HEE WELLING & HAY, 2020

Featuring a swivel base in aluminum, the AAC 121 has a slightly more formal expression than the other variants in the series. Retaining the same high backrest and generous seat that characterizes the series, this design features a functional base with legs that fan out from the center. The base is available in either polished or powder-coated aluminum, and the shell comes in a variety of upholstery options, providing a multitude of design combinations that give this series versatility in a wide range of corporate, public, and private contexts.

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- Variety of textiles and base finishes.
- Available in a standard molded foam upholstery and a soft quilted version with added wadding in a large selection of fabrics and leathers.
- Other base options are: molded plywood base, 4-leg steel tube base and 5 star swivel base with gas lift.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

DIMENSIONS

WIDTH 62 CM | 24.41"

DEPTH 59,5 CM | 23.42"

HEIGHT 86 CM | 33.86"

SEAT HEIGHT 47,5 CM | 18.70"

SEAT WIDTH 45 CM | 17.72"

MATERIALS

SHELL

10 mm injection molded polypropylene with 10% glass fiber. Full upholstered.
