PRODUCT FACT SHEET

## AAC 127

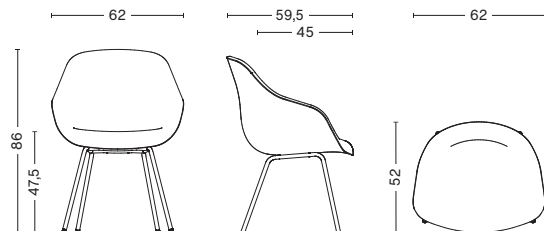

DESIGN BY HEE WELLING & HAY, 2020

Featuring a four-legged steel frame with slim legs, the AAC 127 has a sleek, elegant expression. Retaining the same high backrest and generous seat that characterizes the series, this design features a functional base with angled legs that slant slightly outwards for optimal stability. The base is available in chrome and powder-coated finishes, and the shell comes in a variety of upholstery options, providing a multitude of design combinations that give this series great versatility in a wide range of corporate, public, and private contexts.

### HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- Variety of textiles and base finishes.
- Available in a standard molded foam upholstery and a soft quilted version with added wadding in a large selection of fabrics and leathers.
- Other base options are: 4 star swivel base, molded plywood base and 5 star swivel base with gas lift.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.
