PRODUCT FACT SHEET

AAC 121 SOFT/ SOFT DUO

DESIGN BY HEE WELLING, 2020

The AAC 121 Soft / Soft Duo counterbalances the more formal expression of the aluminum swivel base with the softness and warmth of the quilted shell. The base is available in polished or powder-coated aluminum, and the quilted shell is offered in a variety of upholstery options, providing a multitude of design combinations that give this series versatility in a wide range of corporate, public, and private contexts.
