

AAC 127 SOFT DUO

PRODUCT FACT SHEET

AAC 127 SOFT DUO

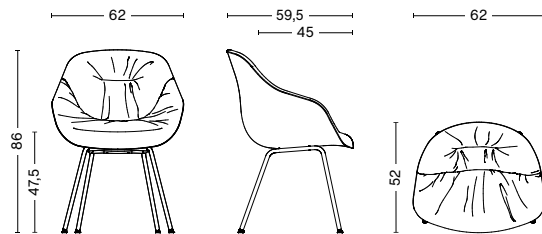

DESIGN BY HEE WELLING, 2020

The AAC 127 Soft Duo fuses a soft quilted shell and contrasting materials with the sleek, elegant aesthetic of the four-legged steel frame. Retaining the same high backrest and generous seat that characterizes the series, this design features a functional base with legs that slant slightly outwards for optimal stability. The base is available in chrome and powder-coated finishes, and the quilted shell is offered with two different textiles or leathers to create a unique look that works equally well in corporate, public, or private contexts.

HIGHLIGHTS

- Part of a multi-functional family of dining and conference chairs, office chairs, bar stools, lounge chairs, tables, an ottoman and a sofa.
- Soft quilted upholstery in selected fabric and leather combinations on front and back.
- Variety of textiles and base finishes.
- Other base options are: 4 star swivel base, molded plywood base and 5 star swivel gas base.
- Other upholstery options are: a non-quilted full upholstery in a large selection of fabrics and leathers or a soft quilted version with added wadding in a large selection of fabrics and leathers.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.
