

AAC 123 SOFT DUO

PRODUCT FACT SHEET

AAC 123 SOFT DUO

DESIGN BY HEE WELLING, 2020

The AAC 123 Soft Duo fuses a soft quilted shell and contrasting materials with the natural elegance and character of the four-legged wooden base. Retaining the same high backrest and generous seat that characterizes the series, this design features a solid base with angled legs that slant slightly outwards for optimal stability. The oak base is available in different finishes and the quilted shell is offered with two different textiles or leathers to create a unique look that works equally well in corporate, public or private contexts.
