

Terminus Transitions – Drywall up to Drywall

Features & Benefits

- Provides a solution for the transition of suspended drywall up to drywall ceilings
- Available with factory-mitered corner options
- Available in straight or curved (face-in or face-out)
- Available in four profile heights to transition from drywall up to drywall ceilings
- Sturdy extruded-aluminum construction with fully-painted surface
- Available in CertainTeed White and Black. Additional color options are offered through our Post-Paint process.

System Components

For Special color options, contact your local sales representative.
