

# Terminus Transitions – Semi-Concealed up to Acoustical

## Features & Benefits

- Provides a solution for the transition of suspended semi-concealed up to acoustical ceilings
- Available with factory-mitered corner options
- Available in straight or curved (face-in or face-out)
- Available in four profile heights to transition from semi-concealed up to acoustical ceilings
- Sturdy extruded-aluminum construction with fully-painted surface
- Available in CertainTeed White and Black. Additional color options are offered through our Post-Paint process.

## System Components

For Special color options, contact your local sales representative.
