Collo

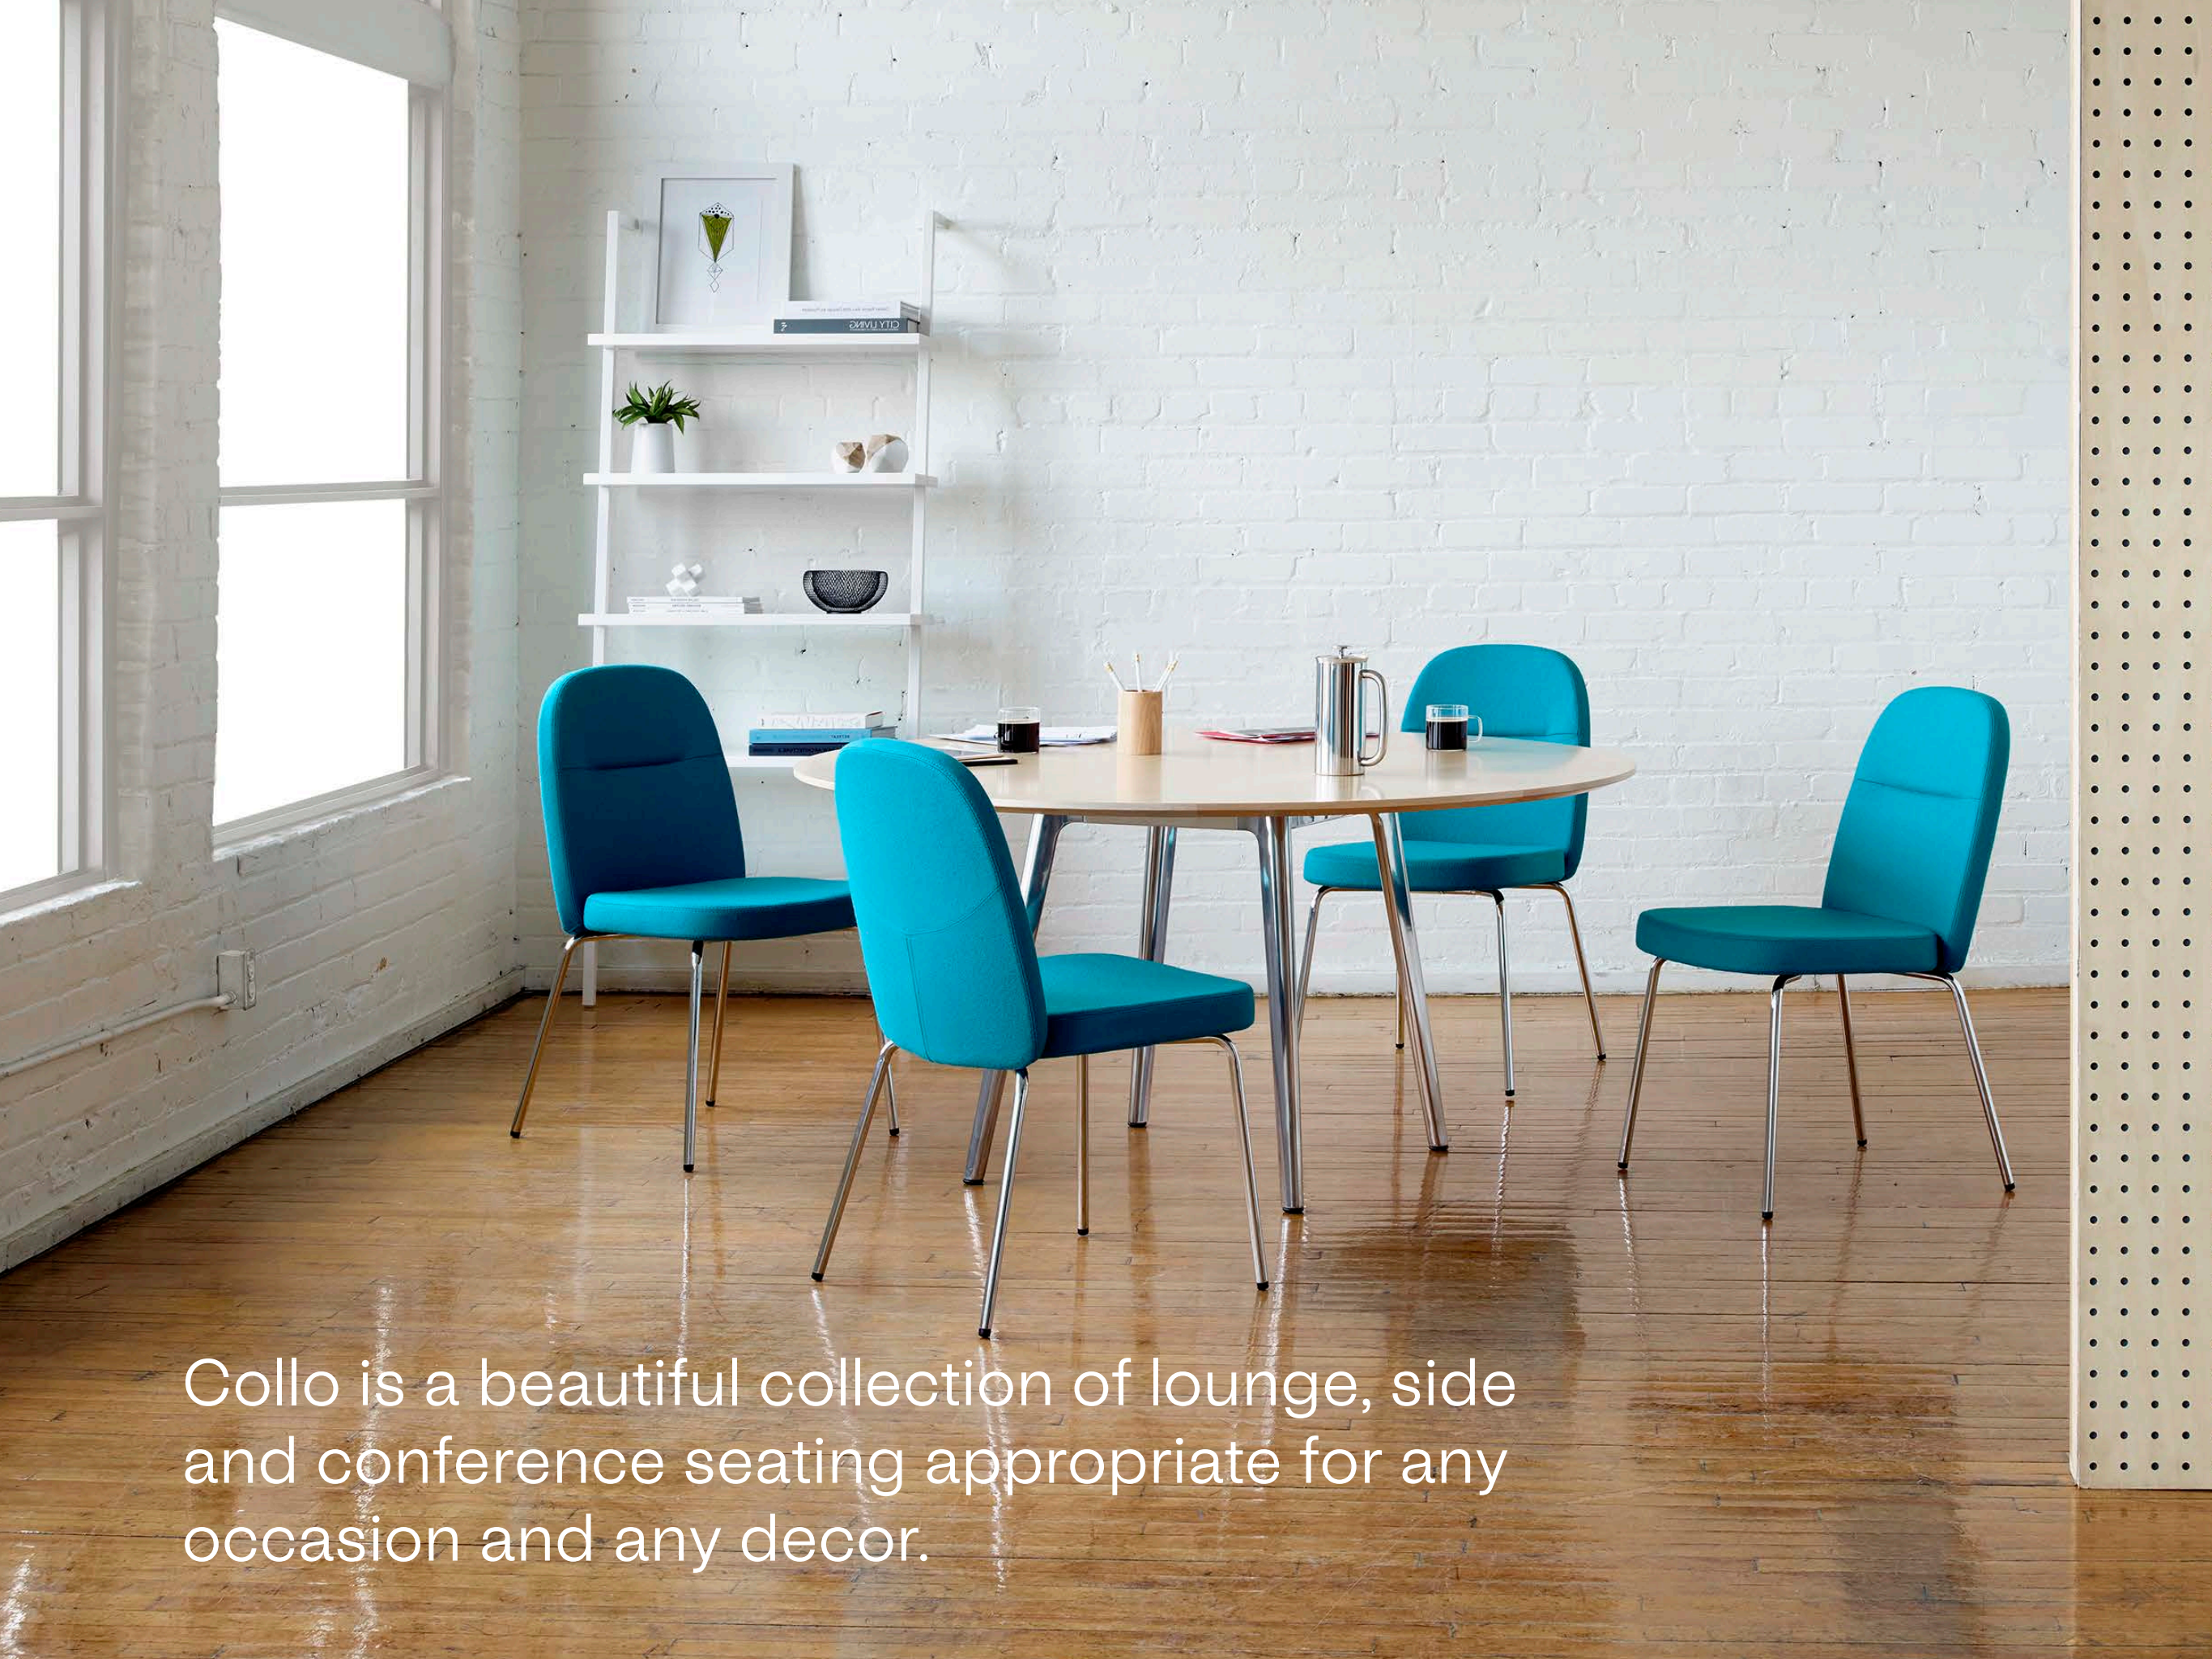

It is hard to design a white shirt.

Gernot Bohmann,

Timeless. Tailored. Flattering.
Just like your favorite white shirt.

Collo is a beautiful collection of lounge, side and conference seating appropriate for any occasion and any decor.

Lounge

With a relaxed pitch and enveloping form, the Collo lounge chair puts guests at ease in casual meetings.

Side

Collo has a small footprint, creating more room to meet and work, while providing a level of comfort that is expected from larger chairs.

Conference and Task

Collo's timeless aesthetic and scale fits the modern office, loft and hotel room.

Available with or without arms
