

DO  
KO

The Japanese word for  
“where”, Doko™ inspires  
informal gatherings *anywhere*.

A collection of poufs designed to foster easy conversations, Doko is an expression of informality.

Its playful form creates spaces for where people:

Sit.  
Play.  
Talk.  
Think.  
Listen.  
Connect.  
Tell stories.

**KEILHAUER**

Durable plastic Dokos are ideal for high traffic areas and a knit covered version provides a cozy, at-home feel.

# Tilt & Swivel

Active Dokos encourage movement and good posture while you work and meet.

# For kids who can't sit still

The child size perch is as fun to look at as it is to sit on.
