KEILHAUER

NEESH

The Neesh lounge chair has been mindfully designed to combine sophistication and support for a healthcare setting. With graceful contours and thoughtful features that aid independence, Neesh offers an air of quiet elegance to spaces dedicated to care and comfort.

DESIGNED WITH CARE

With a blend of features for both patients and visitors, Neesh offers function and comfort without compromise.

A subtle gap between the back and removable seat offers enhanced access for cleaning.

An 18" seat height improves ease of sitting and standing.

Sleek steel legs provide both strength and stability, while the smooth surface is easy to wipe down.

DESIGNED & MADE RESPONSIBLY

CERTIFIED

The Neesh lounge chair is designed with sustainability at its core, with each piece crafted with FSC®-certified wood framing. Neesh also achieves a BIFMA LEVEL® 3 certification to meet the most rigorous standards for environmentally and socially responsible furniture.

The Neesh lounge chair is also certified carbon neutral. Every step in its production has been carefully evaluated, with a Life Cycle Assessment (LCA) and Environmental Product Declaration (EPD) to ensure its compliance. Keilhauer offsets any remaining emissions through carbon-offset projects, underscoring our commitment to both people and the planet.
