The Swav low-back conference chair is lightly scaled with a thin side profile and streamlined contours. The armrests are classically-shaped loop arms, albeit with an understated appearance. The chair is available in an aluminum or nylon base.

### Seat Height Adjustment (while seated)

Use this  
(to raise or lower seat)

**Use** the paddle shaped lever on the left side underneath the seat  
**To raise** lift your weight off the seat while lifting the front of the lever  
**To lower** sit on the seat while lifting the front of the lever
