Syz

Flexible Conference Spaces

A leap forward in conferencing, Syz combines the flexibility and modularity necessary for meetings. Syz features one continuous table structure, with a seamless flow between the cast aluminum legs and extrusions. Table tops are finished in veneer, laminate, or quartz, with various edge details. Table bases of cast aluminum can be finished in polished aluminum, or 4 powder coat colors.

Shapes and sizes available

Syz tables are available in round, square and rectangular in many standard sizes as well as custom sizes.

Lounge Meeting

The popular 26 inch high lounge-meeting table is Keilhauer's answer to the demands of more relaxed meeting spaces. Paired with any of Keilhauer's club or modern lounge pieces, it provides a comfortable height for communicating and collaborating.

Syz is available in three shapes and three heights to accommodate different forms of communicating and collaborating: conferencing at the standard 29 inch table height and lounge meeting at 26 inches. Syz tables are available in round, square, and rectangular, in many standard sizes as well as custom sizes. From formal boardrooms, to casual coffee-table meetings, and everything in between, Syz tables can be specified to meet any scenario.
