

norament[®] satura[™]

Redefine your space with norament satura - a PVC-free rubber flooring made for more inspiration and lasting impressions. This vibrant collection is available in saturated and neutral colors featuring a tone-on-tone granular design. In addition to the classic hammered surface, six shades also offer an elegant slightly structured two-tone surface, both for use in very high traffic areas. A range of colors is also available as stair treads.
