Mediaspace Flat Panel Cart

Model Numbers: 27809

OVERVIEW

Provides safe and easy flat panel mobility while adding modern elegance to any multimedia environment, with durable design, materials, and versatile storage options.
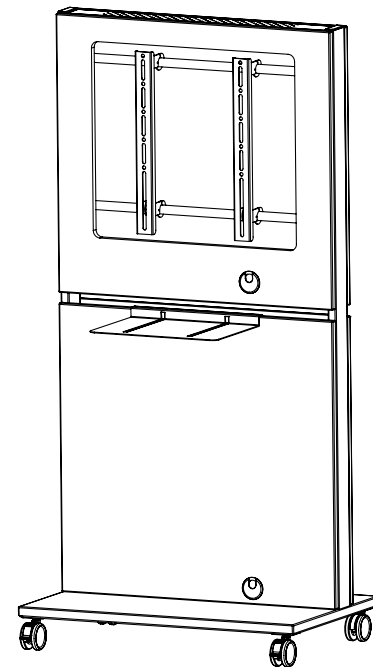

MOUNTING BRACKETS

Mount consists of two 1″ diameter steel rods that fit into uprights and two 12 Ga sliding brackets with 10mm diameter slots for securing display.

CART BODY

Cart has 18mm thick removable back panels with white vacuum formed plastic finish. Panels are mounted with fixed 0.25″ steel pins that fit into keyhole slots on 12 Ga steel brackets welded to 14 Ga rectangular steel tubing uprights. Two 1 mm thick perforated steel support brackets join uprights with four screws each. Uprights are fastened to cart base with two M8x50mm screws each. Cart has a 14 Ga 11.2″ x 15.8″ steel accessory tray that hangs over front bottom panel and is secured with two M6x12mm screws. Cart has one top grommet and two bottom grommets on front and back.

CASTERS

Dual-wheel casters are 3″ diameter with steel plates that use four M6x20mm bolts to attach to base. Two casters are locking and two casters non-locking.

COMPLIANCE

SCS Indoor Advantage Gold certified.
