

Work Description
Attach Head Rest to Altus Upholstered Back Chair

1

Locate parts and tools: Head rest, head rest attachment bracket, 2 screws, Phillips head screw driver, and safety knife. Note: The screws may already be in the attachment bracket.

2

Use the blade of the safety knife to carefully remove the cover on the back of the chair.

3

4

Remove the cover on the attachment bracket.

5

Set the cover aside, you will need to put it back on the bracket after installing the head rest.

6

Line up the attachment bracket with the holes on the back of the chair. The long part of the bracket should be toward the floor. If the screws are not already in the bracket insert them now.
