Affina® Guest Chair

The Affina Collection brings to life the finer points of line and movement, function and sophistication. Designed by Dan Cramer and Paul James, Affina reflects an aesthetic that speaks to all environments by articulating a timeless vision.

Affina guest seating offers a handcrafted quality with functional appeal. The waterfall seat front provides optimal comfort with stylish, inviting curves. Choose from three different arm styles (closed arm, open arm, armless). Multiple glide options accommodate every floor type.

Add creative distinction to Affina guest chairs with contrasting fabrics from a variety of high-performance textiles, including Pallas® Textiles, KI ingrades, or COM. Affina is offered with a standard lifetime warranty to ensure years of use.

Among the industry's most comprehensive healthcare lounge collections, the Affina Collection also includes lounge seating, multiple seating, occasional tables, recliners, patient seating, and sleepover seating.
